Spring 2011

PHI 205 Hume

- Looks good
- Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve student success? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes form the last time? Did they work? Anything else you want to add?
