

Quarter: _____ Course: _____

Modality: _____ Instructor: _____

Student Learning Outcomes (SLOs)

Assessment Method

SLO 7: _____

SLO 8: _____

SLO 9: _____

SLO 10: _____

SLO 11: _____

SLO 12: _____

Student Name	Student ID	SLO 7	SLO 8	SLO 9	SLO 10	SLO 11	SLO 12

SLO Rating Scale
4 Complete Understanding
3 Strong Understanding
2 Moderate Understanding
1 Little or No Understanding
NA Not Assessed or Not Applicable

In the space below, please respond to the following prompts: Summarize the overall results of the outcomes assessment process. Identify how these results will inform your teaching in the future. What resources will you need to implement any identified pedagogical or curricular changes (include budgetary projections)? Do these SLOs adequately measure what you teach in this course and if not, how would you change them?
