PAYING FOR COLLEGE

FINANCIAL AID ltcc.edu/finaid

LTCC has a variety of programs that can make college less expensive, or maybe even free. There are grants, scholarships, loans, work-study opportunities, and the Lake Tahoe College Promise and fee waiver programs. These and other programs can help students cover the cost of tuition, fees, textbooks, child care, transportation, and more.

LTCC's Financial Aid Department is here to help you understand all the possibilities and how to apply for them. Below are just a few of the aid programs available. For more, visit ltcc.edu/finaid, or call (530) 541-4660 x 276, or visit our Financial Aid staff in the One-Stop Office (Main Building Commons, Room A-102) for assistance. It is FREE to apply for financial aid at LTCC!

LAKE TAHOE COLLEGE PROMISE

ltcc.edu/promise

Earn a college degree tuition-free! The Lake Tahoe College Promise provides first-time, full-time students with:

- Pree tuition for up to three years
- Priority access to the Textbook Lending Library
- \$100/quarter for use with the LTCC Bookstore
- > Priority Registration
- O Access to Promise Navigators

The program is for first-time college students who attend LTCC full time, and is available to all California residents and Dreamers, and Nevada residents and Dreamers living within the Tahoe Basin. For more, visit ltcc.edu/promise.

FEE WAIVER

ltcc.edu/finaid

If you cannot attend college full time, the California Grant Fee Waiver (formerly Board of Governor's Fee waiver) could be for you! Both part-time and full-time students who do not qualify for the Lake Tahoe College Promise can apply for a fee waiver. This option is available to California residents and AB540-eligible students. Visit ltcc.edu/finaid for more information.

SCHOLARSHIPS

ltcc.edu/scholarships

Your academic success and commitment to serving our community could turn into free money for college! Scholarships make it possible for students to earn money that does not ever need to be repaid. A full list of scholarships and eligibility requirements is available at ltcc.edu/scholarships.

As a Nevada resident, paying out-of-state tuition for college was impossible for me. But the Promise program at LTCC makes it possible for any new college student in the Tahoe Basin to get a free education. Not only did I not have to pay for classes, but Promise helped me with free textbooks and school supplies as well. I'm getting my associate degree at no cost, and that motivates me to do the best I can academically.

REFUNDS

LTCC's policy on refunds applies to fees charged for credit classes including enrollment fees, non-resident tuition, material fees, and facility use fees. Students must initiate a refund request. Refunds can take up to 15 business days to process if fees were paid by check.

Canceled Classes: All funds are fully refundable if LTCC cancels a class.

Dropped Classes: If a student chooses to drop a class before it starts, all fees are refundable with a few exceptions. To receive a refund on or after a class starts, the drop must happen by:

- 12-week classes: Friday of the 2nd week of the class
- 6-week classes: Friday of the 1st week of the class
- All other classes: Drop prior to the 10% point of the class, determined by calendar days
- Art material fees: If a student drops an Art class after receiving materials, refunds will be pro-rated based on the amount of materials used

Health & Student Representation Fees: Refundable if all classes are dropped before the refund deadline for 12-week classes.

Field Trips & Optional Fees: Refunds are possible if the drop is made two weeks before the first class meeting. After this, refunds are only possible if the student dropping can be replaced by another student who registers and pays all fees. This is not guaranteed.

Service Fees: Most are non-refundable. These are fees for challenge exams, transcripts, replacement diplomas, replacement certificates, and similar.

NEW CLASS FORMATS Enhanced Virtual Education (EVE)

LTCC offers traditional distant education (DE) courses that provide independent learning and flexibility. For students who wish to have a face-to-face educational experience but in the safest way possible during COVID-19, LTCC introduces Enhanced Virtual Education, or EVE.

Like traditional DE, EVE classes are also offered online and use the Canvas system for base information and resources, but they also use Zoom as well as other technologies to provide more "real time" contact. EVE classes are different than DE – they are intentionally designed for students who prefer a face-to-face, classroom feel. In EVE classes, you'll experience:

- A high-touch environment with extra support
- Labs offered in a virtual environment
- Lots of discussion and interaction with your teacher and fellow students
- Use of video for visual learning
- One-on-one support from faculty, including virtual office hours
- Discussions, interactions, projects with faculty and other students offered in "real-time"
- Some synchronous elements/course content offered during the scheduled course days and times
- Other asynchronous elements/course content moved to a virtual environment

Hybrid

There are some LTCC courses that cannot be entirely duplicated in an online virtual format. These typically involve courses where receiving and demonstrating hands-on knowledge and training are required. These courses usually involve public safety work and are often found in the Allied Health, Fire and EMT, and Wilderness Education and Outdoor Leadership departments. Other courses in Culinary Arts, 3D Arts, and

the various sciences also have offerings in a hybrid format in order for students to practice key hands-on skills.

The face-to-face components of these hybrid courses will only be provided if they meet current state and federal guidelines regarding COVID-19. Hybrid classes will have limited student participation in a face-to-face format at a single point in time to increase safety. Campus labs will be thoroughly cleaned and sanitized regularly. Many labs will also take place outdoors.

CULINARY ARTS

NOTE FOR <u>ALL</u> CULINARY COURSES: As many of the culinary courses have a kitchen laboratory component, there are mandatory uniform and tool requirements. Students will need to have a <u>hat, apron, knife</u>, and appropriate shoes. Most of these items are available in the LTCC bookstore for purchase, or the student may access them from other sources. A review of these materials will be provided on the first day of class. Additionally,

students <u>must</u> bring their own containers for any leftover foods they may have made in class; these include plastic containers, bags, etc.

INTERNSHIP

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 294 or emailing workexp@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

REG: Walk-in registration only. Transfer CSU only

WORK EXPERIENCE

GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (check the online schedule for dates/times). It is NOT necessary to meet with the instructor or RSVP prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

All orientations have been moved online.

Group orientations are available and RSVP's are required. Students can schedule orientations at

https://calendly.com/ltccworkbasedlearning/wbl-orientation or by emailing goligoski@ltcc.edu.

Transfer CSU only.

Academic Policies

SATISFYING REQUIREMENTS

Each student must assume complete responsibility for compliance with the instructions and regulations set forth in this schedule for selecting the courses that will permit achievement of individual educational objectives, and for satisfying prerequisites for any course which they plan to take.

The College likewise assumes no responsibility for misinterpretation by students of policies and procedures as presented in this schedule. Counselors and faculty are available and willing to assist students in planning their programs.

Any questions or doubt concerning schedule material should be referred to the Office of the Vice President, Academic Affairs.

PREREQUISITES, CO-REQUISITES AND ADVISORIES

Some courses and educational programs have prerequisites, co-requisites, or advisories considered necessary and appropriate to ensure that students are adequately prepared to succeed in the course or educational program.

What is a Prerequisite? A condition of enrollment that a student is required to meet in order to demonstrate current readiness in a course or educational program. Students are required to show proof of meeting the prerequisite in order to register for the course. Prerequisites completed at LTCC with a "C" or better will be automatically approved when students register for the course. Students who completed a prerequisite course at another college will need to provide proof to a LTCC counselor before they will be able to register.

What is a Co-requisite? A condition of enrollment consisting of a course that students are required to complete simultaneously (or prior to) in order to enroll in another course. Students must register for the stated co-requisite in order to register for the course.

What is an Advisory on Recommended Preparation? A condition of enrollment which students are advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

Are there other limitations on enrollment? Yes. Enrollment in certain courses or educational programs of study may require try-outs, auditions, or may be limited by health and safety considerations, and space limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

What if I don't have the necessary prerequisites or co-requisites? Students will not be permitted to enroll in a class for which they cannot demonstrate they have met the prerequisite, or are enrolled in the co-requisite. If it is determined after a course begins that a student has not met the prerequisite, he/she will be dropped from the course.

Grounds for appeal

- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or co-requisite.
- The student possesses the skills/knowledge necessary to protect the health or safety of him/herself and others despite not meeting the stated health and safety prerequisite.
- The prerequisite or co-requisite course is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or co-requisite has not been made reasonably available.
- The prerequisite or co-requisite has not been established in accordance with the District's process for establishing prerequisites or co-requisites.
- The prerequisite or co-requisite is in violation of Title 5.

Prerequisite Appeal Procedure

A student may appeal a prerequisite or co-requisite by filing a Prerequisite or Co-requisite Appeal Petition. This form can be obtained from Enrollment Services.

- The complete appeal petition must be filed with Enrollment Services prior to registration.
- The appeal petition will be processed within five working days of its receipt and the student notified accordingly.
- 3. If the appeal is upheld, the student will remain in the course.
- 4. In the event the petition is denied the student will be disenrolled; however, the student may appeal the decision in writing directly to the Division Dean or Vice-President, Academic Affairs.
- 5. Student will be notified of the appeal decision within five working days.

Legal Information

Fees Subject to Change

All fees are subject to change without notice pending Board or State legislative action. Students are responsible for any additional fees mandated by the State Legislature.

Failure to Pay a Financial Obligation

Grades, transcripts, diplomas, and registration privileges, or any combination thereof, shall be withheld from any student who has been provided with written notice that he/she has failed to pay a proper financial obligation due to the LTCC District. Items withheld shall be released when the student meets financial obligations (Title 5 section 59410).

Open Enrollment

It is the policy of the Lake Tahoe Community College District that, unless specifically exempted by statute, every course, course section or class, the enrollment of which is to be reported for state aid, whenever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College, and who meets such prerequisites as may be established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 1 of Division 6 of Title 5.

Schedule Accuracy

This schedule lists the classes that the college plans to offer this quarter and describes enrollment and registration guidelines. All courses and special events are subject to funding, scheduling, and instructor availability, and are subject to change at any time.
