

If you intend to maintain California or Nevada as your state of legal residency, please provide the date you or your parent/guardian completed at least two of the activities below. Please bring documentation to the Admissions office.
 (Note: If you are submitting this form with a new student admission application, copies of documentation are not required.)

✓	Activity/Documentation Type	State:	Date Issued or Begun:
	Ownership of residential property or rental/lease agreements showing continued occupancy in California or Nevada	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Registered to vote, and voting in California or Nevada	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	License from a California or Nevada professional practice	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Maintained a business or employment in California or Nevada	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Active resident membership in California or Nevada service or social clubs	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Indicated a California or Nevada address on State and Federal income tax forms (i.e. W-2, 540, 1040)	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Payment of California or Nevada personal income tax as a resident	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Possession of California or Nevada motor vehicle license plates. <i>Payment of a vehicle license fee is not required of nonresident military personnel. (An exemption may be filed.) Thus, payment of the fee is some indication of intent to be a California resident.</i>	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Possession of a driver's license or Department of Motor Vehicles (DMV) identification card	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Maintained a California or Nevada address as the home of record in military records and on the Leave and Earnings Statement (LES) while in the Armed Forces.	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Maintained active savings or checking accounts in California or Nevada banks (statement, checks or other documentation must show physical address within the state)	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Petition for divorce as a California or Nevada resident	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Possession of a hunting or fishing license as a resident of California or Nevada.	<input type="checkbox"/> CA <input type="checkbox"/> NV	
	Other documentation may help clarify your residency. These include, but are not limited to: <ul style="list-style-type: none"> ▪ <i>Proof of jury duty service in a California or Nevada court</i> ▪ <i>Utility bills with a California or Nevada address covering a one-year period</i> ▪ <i>Selective Service registration with a permanent California or Nevada address</i> ▪ <i>Receipt of benefits from a California or Nevada state agency covering a one year period</i> ▪ <i>Moving contract showing a California or Nevada address</i> ▪ <i>Affidavit from landlord stating verifying length of tenancy at a specific address</i> 	<input type="checkbox"/> CA <input type="checkbox"/> NV	

Please list below other things you have done to justify your request to be classified as a California or Nevada resident.
 Physical presence solely for educational purposes does not establish residency.

Do you qualify for special consideration under any of the following categories?

- Under 19 years of age and have supported yourself financially for at least one year and a day
- Member of the military on active duty in California or remaining in California after discharge
- Dependent (child or spouse) of a member of the military stationed in California
- Public school employee with a valid credential or emergency permit
- Full-time employee (or dependent of an employee) of a California State agency assigned to work outside of California
- Full-time employee (or dependent of an employee) of a California Community College, the California State University, the University of California or California Maritime Academy.
- In the process of being classified as a peace officer AND enrolled in police academy training courses at LTCC
- Agricultural laborer for hire (or child of an agricultural laborer) who is seasonally employed in connection with production of agricultural crops including seeding, thinning and harvesting.
- Graduate of a school in California operated by the United States Bureau of Indian Affairs
- Surviving dependent of any individual killed in the September 11th terrorist attacks

I certify under penalty of perjury that the above information is true and correct.

Signature _____ Date _____

LAKE TAHOE COMMUNITY COLLEGE RESIDENCY - SPECIAL CONSIDERATION REQUIREMENTS

California regulations allow students meeting certain criteria to pay California resident fees even if they have not met the requirements of physical presence and intent to be a resident. To be considered under these special provisions, please see the applicable section below.

Self supporting minor

If you are under 19 years of age and have supported yourself financially for at least one year and a day, please provide both of the following:

1. W-2 forms or other documentation showing your earnings for the past year.
2. A written statement showing your expenses during the past year.

Note: To claim this status, you must have been physically present in California for the past year.

Member of the U.S. Military on active duty in California or maintaining domicile (primary home) in California

If you are a member of the United States Military (Army, Navy, Air Force, Marines, or Coast Guard) assigned to active duty for more than 30 days, please provide one of the following:

1. Evidence of the date of assignment to California on active duty status.
2. Documentation that you are assigned to active duty in any location and maintain your primary home in California.

Note: Members of the National Guard are not eligible for this exemption.

Spouse or dependent child of a member of the military stationed in California or maintaining domicile (primary home) in California

If you are the spouse or dependent child of a member of the Armed Forces of the United States who is stationed in California, please provide all of the following:

1. Proof that the military member has been assigned to active duty for more than 30 days.
2. Documentation of the military member's assignment to active duty in California OR proof of that the military member's primary home is in California.
3. Evidence that you are the spouse of the military member or a dependent child for federal tax purposes.

Discharged member of the U.S. Military remaining in California

If you were a member of the United States Military who was stationed in California for more than one year immediately prior to being discharged and you have remained in California for less than a year and one day, please provide a copy of your Military Discharge Form. You may be temporarily classified as a California Resident for up to one year, but will need to provide evidence of intent to establish California residency at the end of the one-year waiting period to maintain your residency status.

Public school employee with a valid credential or emergency permit

If you are employed by a school district in a full-time position and hold a valid credential or valid emergency permit and are enrolled in courses to meet credential requirements, please provide both of the following:

1. Copy of your credential or emergency permit
2. Statement from your employer that you are employed in a full-time position requiring certification qualifications

Foster Care Youth/Emancipated Foster Youth

If you are or have recently been a foster care youth (ward or dependent of the State of California), please provide documentation showing this relationship.

Employee (or the spouse or child of an employee) of a California state agency assigned to work outside of California

If you, your parent or spouse is employed full-time by a California state agency and is assigned to work outside of California, please provide both of the following:

1. Proof of employment
2. Proof of assignment outside of California

Employee (or the spouse or child of an employee) of a California Community College, California State University or Colleges, the University of California, or the California Maritime Academy

If you, your parent or spouse is employed full-time by one of the California institutions listed above, please provide the following:

1. Proof of employment
2. Proof that the student has not lived in California for more than one year since arriving or since attaining age 18, whichever came later.

In the process of being classified as a peace officer and are enrolled in police academy training courses at LTCC

If you are currently enrolled in police academy training courses and a public agency intends to classify you as a police officer upon successful completion of the courses, please provide evidence that the public agency intends to classify you as a peace officer.

Agricultural laborer for hire (or child of an agricultural laborer).

If you or your parent is seasonally employed in connection with production of agricultural crops including seeding, thinning and harvesting, please provide the following:

1. Evidence that you or your parent earned a livelihood by performing agricultural labor in California for at least two months during each of the preceding two years.
2. Dependents only: Evidence that your parent lives within the district and proof that your parent claims you as a dependent on his or her income tax forms

Graduate of a school in California operated by the United States Bureau of Indian Affairs

If you are a graduate of a school operated by the United States Bureau of Indian Affairs that is located in California, please provide a copy of your diploma.

Surviving dependent of any individual killed in the September 11th terrorist attacks

If you are a surviving dependent of an individual killed in the September 11, 2001 terrorist attacks, please provide a copy of your written notice of eligibility for a tuition and fee waiver by the California Victim Compensation and Government Claims Board.

AB540 Exempt

If you attended a California high school for at least three years and graduated or received a certificate of completion, please request and complete the AB540 Tuition Exemption form.
