## LTCC Student Spotlight Austin Stephens

Hello, my name is Austin. I was born in South Lake Tahoe but I spent five years in Berkeley between then and now. My current goal is to transfer to CSU Monterey Bay with a major in Web Design and a minor in Japanese. I plan to study abroad in Japan for a minimum of six months. I became an

Ambassador because I really wanted to get involved with campus events and student life. I was also given the opportunity to work directly with my major by helping to design our brand new website. My goal here is to help provide a welcoming and fun environment to help recreate the feeling I had when first enrolling at this college.
