## LTCC Student Spotlight Morgan Montoya

Hello! My name is Morgan Montoya and I was born and raised here in Lake Tahoe. I've been taking classes at LTCC since 2012, and as of last year, I became a full-time student who is looking to graduate in 2018. My long-term goal is to transfer and work strenuously towards a degree in Computer Science and a degree in

Music; but for LTCC, I am looking to graduate with an AA degree in Liberal Arts with a science and math emphasis.

I want to help others so the process of becoming a college student goes that much smoother, and I enjoy meeting new people while building friendships. Being a student ambassador gives this desire an outlet! So come on by, say hi, and enjoy being a student at LTCC!
