LTCC Student Spotlight

JIMENEZ YAMILEX

Hey you!
Yeah you! Listen up, this is your Coyote Chronicle and I'm Yamilex. If you know me, then you know that I go by Yami. I'm one of the captains on the women's soccer team, as well as the goalkeeper for the Coyotes. I was born and raised in Phoenix, Arizona. I started playing soccer when I was 7 years old, and now, almost 14 years later, I am a sophomore in college. It's been an unbelievable experience to be here with you all. Playing at the college level is a dream only a 7 year old can imagine. To now actually be living here is incredible. Living here in Tahoe is definitely an experience I will always take with me wherever I go. Not only is it full of breathtaking scenery, but the community here is super friendly and family oriented. My goal for this year here at Lake Tahoe is nothing less but to make history; to be the first women's team to win the Golden Valley Conference Championship and put Lake Tahoe on the map. I'm here, and my team is here, to make a difference, so come and support us on our journey.
