Student Spotlight

JUAN GARCIA

Look who's finally on here! My name's Juan and I've lived in South Lake Tahoe for most of my life. After high school, I reluctantly applied to LTCC and it has been, by far, the greatest decision I've made. Ever since I first stepped through the front doors, I've been met with opportunities at every corner, including my role as Student Ambassador.

Being an ambassador is nothing short of amazing. I always look forward to coming to the college, whether it's work related or not. Helping out at LTCC is what I live for! People come in looking for help, especially when it comes to registering for classes. Knowing that answering questions, or just pointing people in the right direction can be a literal life changer is what makes my effort worth it. It's amazing to think how very little it takes to change someone's life in a positive way. That's why I love being an ambassador. That's why I love this college. **Love it.**
