## Student Spotlight

### TRISTY MEDINA

Hello everyone! My name is Tristy and I'm excited to finally be on the Coyote Chronicle. I was born near a small town called Farmersville, CA but didn't stay long. My family moved around a lot so I never really had many friends

growing up. Eventually, we came to South Lake Tahoe, and I love it so much I decided to stay with my big sister. She gave me a push into adult life, so I got a job, took a driving test, and enrolled in LTCC. The first year I was here I didn't really meet too many students. Over the past two years, my one friend multiplied into a bunch of really cool friends! Not only have I made good friends here, but I also joined a few clubs, and got hired for three amazing jobs. This college has opened up so many opportunities for me and has given me so many friends and memories. I'm really grateful for my sister who gave me a shove into this wonderful life at LTCC [#WeAreCoyoteCountry](#)
