Student Spotlight CARMEN SOTO

Hi, guys! I'm Carmen Soto. I was born in Lima, Peru which is a multicultural country with nice warm weather. Last winter I came to Tahoe to work at Homewood Mountain resort. I stayed for three months and that was enough to fall in love with the beauty of the lake and the friendly atmosphere. I love the way people interact with others so kind and welcoming. That's why I decided to study here. I knew it was going to be one of the best experiences of my life.

At LTCC I'm studying Culinary Arts and Business at the same time with the dream of managing my own restaurant in the future. I have to say that I appreciate the support from my teachers and the staff at LTCC. I'm a member of the International Student Club and a proud winner of the best meat chili for the 2017 Chili Cook-Off. Feel free to ask for the recipe!

I almost forgot to tell you that I will be happy to teach some Latin-American dance like basic salsa or bachata if someone is interested. If you need some help with Spanish, just ask! I Hope to meet you all!!!! [#WelcometoCoyoteCountry](#)
