Student Spotlight STACY VAZQUEZ

Hello everyone! My name is Stacy Vazquez. I am 18 years old and I was born and raised in beautiful South Lake Tahoe, CA. I graduated from STHS last year. I am a student athlete and it's my first year as a college student here at LTCC. My goal is to major in Spanish and receive my teaching

credential to become an AP Spanish teacher in High School. I hope to become an inspiring teacher for my future students by becoming a role model to them. Summer has to be my favorite season since I am a July baby I love and enjoy being outdoors doing fun activities such as, going to the beach, hikes, bike rides, and runs. My favorite hike has to be Mt. Tallac, the view once I got up to the top was absolutely breath taking, especially when I went for the sunrise. If you have time throughout the summer definitely hike it, you won't be disappointed. Always be nice to those around you! Have a great rest of your quarter everyone and get ready to enjoy summer! Congratulations to those graduating in June continue to pursue your dreams!
