8/04 **Athlete Required Orientation—Noon—3p.m.**  
Register inside the One-Stop

**FALL REGISTRATION BEGINS AUGUST 21ST!**  
**ARE YOU READY!**

## Coyote Spotlight

### Congrats to the 2016/17 winner of The Student's Choice Award!

Math and physics instructor Bruce Armbrust started at LTCC in 1999, and has been a perennial favorite with students ever since. He's known for being tough but extremely fair, approachable, with a great sense of humor. One student wrote of him, "He treats students with respect. There are no such things as dumb questions in his class, ever. He's articulate, clear in his instructions, and pretty entertaining too." To other college

faculty members and staff, Armbrust is known to be clutch and willing to step in to solve a problem without hesitation. He's been a student club advisor to the Honor Society, and has been the friendly "Mad Scientist" at LTCC's popular Halloween Treat Street event for a few years now. Armbrust earned his B.A. from DePauw University and his M.S. from Colorado State University. *If you see him, give him a howl!*
