LTCC Spotlight

SABRINA ISAY

Mabuhay! I'm Sabrina, I was born in Manila, Philippines and raised in Los Angeles, California. I transferred to Lake Tahoe College from Santa Monica College, and found great success in pursuing my degree in International Development. During the course of my first year I got involved with many campus activities both on

and off the soccer field. This has challenged my leadership skills in preparation for UCLA, and I have been very fortunate to have the guidance and support of many staff advisors and peers. Outside of campus life I spend my time outdoors either on the water or in the mountains; I especially love hiking, kayaking and snowboarding! South Lake Tahoe has become my home away from home- and it has been an incredible privilege to serve as your ambassador, student senator, and representative for the Board of Foundations.

STUDENT SUCCESS NOTES...

Looking to graduate this June?

**Don't forget to petition for graduation ASAP
with your counselor in the One-Stop!**
