Sample **FREE** varieties of chili,  
✓ vote for your favorite  
& learn about clubs on campus!

## LTCC Spotlight

### LTCC COYOTES WELCOME OUR NEW SUPERINTENDENT/PRESIDENT, JEFF DEFranCO

“Believe it or not, dear student, I once stood exactly where many of you are now: just starting out in college, figuring out my way, trying to develop a path for myself at CSU Chico that made sense given my skills and strengths and interests. I’m a student now, too. Currently, I’m working on a doctorate at

Pepperdine University, and when I’m done with that, I plan on being a student for the rest of my life. Your success here at LTCC means everything to me personally, and to the staff and faculty of this college. I’m excited to become the fifth superintendent/president at LTCC, and am eager to meet you, spend time with you, and help you to develop into the person you’re striving to become. I want you to consider the President’s Office as a place you are welcome in anytime, to bring your ideas forward, to share your difficulties and your stories of triumph. Thank you for making Lake Tahoe Community College your choice for a quality education, and [#WelcometoCoyoteCountry!](#)
