## COYOTE SPOTLIGHT

# Josh Cortlett

I was born and raised in England, Hull, (it's a town in the north east of England) and I lived there from when I was born until age 18, which is when I decided to move away for the opportunity to play soccer in the US. My favorite activity is playing soccer, and I look forward to serving as a Student Ambassador this next year. This is my passion and simply what I love to do. The one thing I enjoy about LTCC is how welcoming the staff has made me feel from the very first time I arrived and they are all brilliant to me. ⚽
