## Transfer Degree

The Associate in Arts for Transfer in Geography Degree provides students with an introduction to the field of Geography. In addition, students will gain a broader understanding of their social and physical environment and the interconnectedness between it and other disciplines.

The Geography AA-T degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus, but not to a particular campus or major. Students completing the AA-T degree in Geography will be able to transfer to the California State University system. More information can be found on page 49. Students are strongly encouraged to see a counselor if considering this transfer option.

***Student Learning Outcomes for this major are:***

- Demonstrate familiarity with major concepts, theoretical perspectives, empirical findings, and historical trends in geography.
- Evaluate how human activities are not only influenced by the physical world, but also how these activities influence our natural environment.
- Communicate the complexity of society and the natural environment into its component interconnected systems.

To obtain the Associates in Arts for Transfer degree in Geography, students must complete the following requirements with a minimum cumulative grade point average (GPA) of 2.0:

- The Geography AA-T major requirements below, completed with a grade of "C" or better.
- The California State University General Education – Breadth (CSU-GE) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements.
- Any needed transferable electives to reach a total of 90 CSU transferable quarter units.
