

PLEASE NOTE

This course was designed to exceed the pre-requisites for LTCC's HEA-140C: EMT and FIR-170A: Lake Tahoe Basin Fire Academy courses.

Emergency Medical Responder (EMR)

Overview: This American Red Cross Emergency Medical Response course provides the student with the knowledge and skills necessary to work as an Emergency Medical Responder (EMR) to help sustain life, reduce pain, and minimize the consequences of injury or sudden illness until more advanced medical help takes over. Students must attend all class sessions, participate in all course activities, demonstrate competency in all required skills and scenarios, and pass both the Emergency Medical Response and CPR/AED for Professional Rescuers and Health Care Providers final written exams with minimum grades of 80% to success complete this course. On the successful completion of this course, participants will receive the following American Red Cross Cards:

- Blood borne Pathogens
- Emergency Oxygen (O2)
- CPR/AED for Professional Responder
- Emergency Medical Responder

Course	Face-to-face offerings	Online Offerings
HEA 106	Every fall/winter/spring	No offerings
HEA 108	Every fall/winter/spring	No offerings

HEA-106: Emergency Medical Responder 4 units This course provides the student with the knowledge and skills necessary to work as an Emergency Medical Responder (EMR) by helping to sustain life, reduce pain, and minimize the consequences of injury or sudden illness until more advanced medical help takes over. The course content and activities will prepare participants to make appropriate decisions about the care to provide in a medical emergency. The course meets or exceeds the Emergency Medical Services Educational Standards for Emergency Medical Responders and is consistent with the current guidelines for first aid and cardiopulmonary resuscitation care. Successful students will receive two certification cards: American Red Cross Emergency Medical Responder and American Red Cross CPR/AED for Professional Rescuers and Health Care Providers. **This course meets the prerequisites for both Emergency Medical Technician (HEA 140C) and Lake Tahoe Basin Fire Academy, Part 1 (FIR 170A).**

Materials Fee: \$27 (for American Red Cross Certification cards)

HEA-108: Emergency Medical Responder (Refresher) 1.75 units This course is an update and review of the knowledge and skills pertaining to Emergency Medical Response (EMR), including CPR and AED. Students must show a current EMR card or certificate on first day of class. This course includes 24 TBA hours in support of the stated student learning outcomes to allow students to obtain the technical skills and knowledge required to perform pre-hospital basic care as an Emergency Medical Responder. Student Notice: The American Red Cross allows a 30-day grace period for expired EMR cards and students should plan ahead to ensure that they take this refresher course before their card expires. Replacement EMR cards can be ordered by contacting American Red Cross, 1-800-RED CROSS (1-800-733-2767).

Materials Fee: \$27 (for American Red Cross Certification cards)

Prerequisite: Current Emergency Medical Responder (Advanced First Aid) Card (30-day grace period)

Please note: Students are required to meet with a counselor to develop an educational plan. All schedules subject to change!
