

Fire Officer

Certificate of Achievement

An Accredited Regional Training Program through the California State Fire Marshal and the State Board of Fire Services

The Fire Officer degree prepares students for supervisory-level careers in the fire service and training opportunities for employed and volunteer firefighters. Coursework includes; Human Resource Management, Instructional Methodology and Development, All-Risk Command and Wildland Operations, General Administrative Functions, Fire Inspections and Investigations, Budget and Fiscal Responsibilities, and Emergency Service Delivery Response. Students successfully completing the necessary coursework and meeting additional industry-specific requirements are eligible for California State Fire Marshal certification as a Fire Officer. Students must complete all summative tests with a minimum score of 80%. This program follows the National Fire Protection Association (NFPA) 1021 Standard for Fire Officer Professional Qualifications (2014), National Fire Protection Association (NFPA) 1051 Standard for Wildland Fire Fighter Professional Qualifications (2012) and National Fire Protection Association (NFPA) 1041 Standard for Fire Instructor Professional Qualifications (2012) to provide the qualifications for State Fire Training's Fire Officer Certification.

Note: In order to be certified by the State Board of Fire Services as Fire Officer, students must have a minimum of five year's full-time paid or ten year's volunteer or part-time paid experience in a Recognized Fire Agency in California as a fire fighter performing suppression duties and at least two years of experience must be at the officer level (Lieutenant or higher) and be Office of the State Fire Marshal (OSFM) certified Fire Officer, or Office of the State Fire Marshal (OSFM) certified Company Officer and possess, at a minimum, an associate's degree (any major) or higher from an accredited post-secondary institution.

Student Learning Outcome

- Prepare for and pass all required certification training standards included in the Certification Task Book in the Chief Fire Officer California Training Standard Guide (November 2014), which is based on National Fire Protection Association (NFPA) 1021 Standard for Fire Officer Professional Qualifications (2014), National Fire Protection Association (NFPA) 1051 Standard for Wildland Fire Fighter Professional Qualifications (2012), and National Fire Protection Association (NFPA) 1041 Standard for Fire Instructor Professional Qualifications (2012).
