

Photography/Digital Photography

Overview: Photography/Digital Photography is a dynamic field exploring artistic and commercial applications, as well as digital technology. This short-term departmental certificate program provides photographic and digital experiences that equip the students for a variety of entry-level career applications. The program is designed to prepare the student for entry-level positions in the fields of traditional photography, photojournalism, commercial photography, digital photography, digital imaging, and new digital media. For further information about this program, contact extension 234.
