

# **2015-2016 EADA Report Summary Submitted Fall of 2016 Lake Tahoe Community College**

The Equity in Athletics Disclosure Act is designed to make prospective students aware of a school's commitment to providing equitable athletic opportunities for its men and women students. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15 each year. Institutions must also report data to the U.S. Department of Education via this online survey. This is a mandatory survey.

Data collected in this survey will be published by the Office of Postsecondary Education on the Equity in Athletics Data Analysis Cutting Tool website located at <http://ope.ed.gov/athletics>.

This information will be viewable on the EADA public website. Please do not include the names of individuals or write messages to the help desk.

To explain specific data entered on a previous screen, please use the caveat box on that screen.

LTCC is a small two year community college with only men and women's soccer as the sports. That is why our numbers are very low. There are more men who try out for the program than women which is why the rosters are different size. All women who try out have made the team. The men's team advanced to the final four in 2015 which is why their expenses were higher than the women's team.
