

We are excited to introduce you to the new TCSIG Wellness Center tele-visit capabilities! Using this online application will allow you to visit face to face with one of our Nurse Practitioners via video-chat from your desktop or mobile device.

To use this service just follow these three simple steps:

1. Go to URL: <http://app.evisit.com/#/enroll/tcsigwellnesscenter> and set up your telehealth account. It involves answering a few short questions about your current health status. You are then ready to schedule a virtual visit.
2. When you want to schedule a virtual office visit go to the TCSIG Wellness Center site at <http://tcsig.com/> click on Patient Portal, sign-in, then select eVisit under the Reason for Visit option and select the day and time of your desired visit.
3. When it is time for your visit return to <http://app.evisit.com/#/enroll/tcsigwellnesscenter> and log in. Then wait in the virtual waiting room for the Nurse Practitioner to arrive. They will arrive shortly.
