WELCOME BACK TO CAMPUS!

We're so excited to have Coyotes together (but apart) again! LTCC has a few simple mask rules that must be followed in order to keep campus open and maintain a healthy campus and community.

IT'S SIMPLE

Face coverings are required in all public spaces at **all times**

Face coverings must fit **snugly** around your nose and mouth

All public health requirements will be strictly enforced.
We appreciate your cooperation!

A second mask is required if you have single-layered cloth mask

NOT ALLOWED:

Bandanas/
Loose cloth
around the face

Face shield in
place of a
mask

Ski buffs/
Neck gaitors

FORGET YOUR MASK?

It happens! An LTCC employee is happy to provide you with the proper mask at check in.

Failure to comply will result in removal from campus facilities and grounds.

Read LTCC's Public Health documents and procedures @ ltcc.edu/coronavirus

SPRING 2021

"TRANSITION QUARTER"

the plan:

LTCC currently offers a variety of classes primarily online, with a few exceptions. This is to keep students, faculty, and staff as safe as possible while our country continues to grapple with a pandemic. LTCC understands that many of our students wish to be back on campus, enjoying face-to-face classes while participating in events, student clubs, and all that contributes to a rich college experience. All of us at LTCC wish for this too. Until COVID-19 is under control and the state clears the way for widescale, indoors education at California's community colleges, LTCC will primarily provide education virtually.

LTCC is striving to reopen crucial student support areas on campus such as the library and computer lab before students return to the classroom. Our ability to do this is also dependent on COVID-19 and being able to assure student safety. A final determination about Spring quarter 12-week classes and how they will be delivered will be made the week of March 15, 2021. A decision about Spring late-start classes will be made the week of April 19, 2021.

You'll notice many more face-to-face classes offered in Spring quarter. LTCC's ability to host these is contingent on COVID being under control, and our students' and faculty safety being assured. While LTCC will do everything we can to hold these classes face-to-face, students who register for them now need to know that conditions may force us to cancel them, or move them to a hybrid or fully online modality, depending on COVID-19. It is a fluid situation, and we recommend students check this online Course Schedule regularly to see if the classes you've registered for will be held the way they were presented when you registered for them.

SPRING 2021

what will be the process for entering campus?

In order to keep the entire campus as safe as possible during the COVID-19 pandemic, there are steps you must take in order to access LTCC's buildings for your hybrid or face-to-face classes. Here is what you can expect:

- Before arriving, download and conduct a daily health self-check using the #CampusClear app
- Please arrive to campus feeling well, with a face mask in place, and have your temperature and ID checked by LTCC staff
- Wear your face mask and maintain social distancing of at least 6 feet at all times inside LTCC's facilities

Stay up to date & read more on LTCC's Risk Management Plan: ltcc.edu/coronavirus

Taking a class on campus?
download **#CAMPUSCLEAR**

What is #CampusClear?

It's a contact tracing app used by many college campuses to help protect the health and safety of learning communities. Everyone entering the LTCC campus will be required to download and complete the symptom checker every time they come to campus.

Download link available at ltcc.edu/coronavirus

Procedure for Accessing LTCC Campus

BEFORE LEAVING HOME:

Take your temperature

Make sure it is less than 99

Self-Screen using #CampusClear

Respond to the survey questions, and if you have any symptoms of illness, do not come to campus

WHEN YOU ARRIVE TO CAMPUS:

1 Wear a face mask

1

Your face mask must be in place when you arrive and you must keep your mask on at all times while on campus

2 Sanitize your hands

2

Please use the sanitizing station upon arrival, and throughout your time on campus

3 Check in at the Library Entrance

3

Enter campus through the Library and head to the security desk for a fever check. Be ready to show your ID and your #CampusClear survey results

Once on campus, maintain at least 6' distance from others and wear your face mask at all times

NOT FEELING WELL?

- STAY HOME
- Contact your healthcare provider
- Reach out to your instructor by phone or email

REFUNDS

LTCC's policy on refunds applies to fees charged for credit classes including enrollment fees, non-resident tuition, material fees, and facility use fees. Students must initiate a refund request. Refunds can take up to 15 business days to process if fees were paid by check.

Canceled Classes: All funds are fully refundable if LTCC cancels a class.

Dropped Classes: If a student chooses to drop a class before it starts, all fees are refundable with a few exceptions. To receive a refund on or after a class starts, the drop must happen by:

- 12-week classes: Friday of the 2nd week of the class
- 6-week classes: Friday of the 1st week of the class
- All other classes: Drop prior to the 10% point of the class, determined by calendar days
- Art material fees: If a student drops an Art class after receiving materials, refunds will be pro-rated based on the amount of materials used

Health & Student Representation Fees: Refundable if all classes are dropped before the refund deadline for 12-week classes.

Field Trips & Optional Fees: Refunds are possible if the drop is made two weeks before the first class meeting. After this, refunds are only possible if the student dropping can be replaced by another student who registers and pays all fees. This is not guaranteed.

Service Fees: Most are non-refundable. These are fees for challenge exams, transcripts, replacement diplomas, replacement certificates, and similar.

PAYING FOR COLLEGE

FINANCIAL AID

ltcc.edu/finaid

LTCC has a variety of programs that can make college less expensive, or maybe even free. There are grants, scholarships, loans, work-study opportunities, and the Lake Tahoe College Promise and fee waiver programs. These and other programs can help students cover the cost of tuition, fees, textbooks, child care, transportation, and more.

LTCC's Financial Aid Department is here to help you understand all the possibilities and how to apply for them. Below are just a few of the aid programs available. For more, visit ltcc.edu/finaid, or call (530) 541-4660 x 276, or visit our Financial Aid staff in the One-Stop Office (Main Building Commons, Room A-102) for assistance. It is FREE to apply for financial aid at LTCC!

LAKE TAHOE COLLEGE PROMISE

ltcc.edu/promise

Earn a college degree tuition-free! The Lake Tahoe College Promise provides first-time, full-time students with:

- Free tuition for up to three years
- Priority access to the Textbook Lending Library
- \$100/quarter for use with the LTCC Bookstore
- Priority Registration
- Dedicated Promise Counselor
- Access to Promise Navigators *and more!*

The program is for first-time college students who attend LTCC full time, and is available to all California residents and Dreamers, and Nevada residents and Dreamers living within the Tahoe Basin. For more, visit ltcc.edu/promise.

FEE WAIVER

ltcc.edu/finaid

If you cannot attend college full time, the California Grant Fee Waiver (formerly Board of Governor's Fee waiver) could be for you! Both part-time and full-time students who do not qualify for the Lake Tahoe College Promise can apply for a fee waiver. This option is available to California residents and AB540-eligible students. Visit ltcc.edu/finaid for more information.

SCHOLARSHIPS

ltcc.edu/scholarships

Your academic success and commitment to serving our community could turn into free money for college! Scholarships make it possible for students to earn money that does not ever need to be repaid. A full list of scholarships and eligibility requirements is available at ltcc.edu/scholarships.

CLASS FORMATS

Enhanced Virtual Education (EVE)

LTCC offers traditional distant education (DE) courses that provide independent learning and flexibility. For students who wish to have a face-to-face educational experience but in the safest way possible during COVID-19, LTCC offers Enhanced Virtual Education, or EVE.

Like traditional DE, EVE classes are also offered online and use the Canvas system for base information and resources, but they also use Zoom as well as other technologies to provide more “real time” contact. EVE classes are different than DE – they are intentionally designed for students who prefer a face-to-face classroom feel. In EVE classes, you’ll experience:

- A high-touch environment with extra support
- Labs offered in a virtual environment
- Lots of discussion and interaction with your teacher and fellow students
- Use of video for visual learning
- One-on-one support from faculty, including virtual office hours
- Discussions, interactions, projects with faculty and other students offered in “real-time”
- Some synchronous elements offered during the scheduled course days and times
- Other asynchronous elements/course content moved to a virtual environment

What does this mean for me?

You should plan to be available during the times and days listed on the schedule. While the instructor may not use the full time, this is time set aside for synchronous digital learning. Reach out to your instructor with any specific instructions on class timing.

Face-to-Face (F2F)

Traditional learning will be re-introduced in **Spring 2021**, allowing students to be on campus in an in-person classroom environment. Classrooms and all common areas of campus will be thoroughly cleaned and sanitized regularly. Please note that should anything change with the pandemic, F2F classes will move to the EVE format.

F2F

What does this mean for me?

Limited face-to-face courses will be offered in Spring. If you enroll in a F2F course, please ensure that you are available during the days and times listed, and be prepared to come to campus or report to your off-campus location for those courses.

ASYNCHRONOUS

learning doesn’t necessarily happen at the same time for instructor and students; classwork often consists of independent reading, prerecorded video watching, and other tasks students complete on their own.

SYNCHRONOUS

learning happens in real time between your instructor and your class either face-to-face, or via Canvas, Zoom, or other virtual spaces. Classwork deadlines are often scheduled on consistent days/times, providing structure for those who prefer that.

Hybrid

There are some LTCC courses that cannot be entirely duplicated in an online virtual format. These typically involve courses where receiving and demonstrating hands-on knowledge and training are required. These courses usually involve public safety work and are often found in the Allied Health, Fire and EMT, and Wilderness Education and Outdoor Leadership departments. Other courses in Culinary Arts, 3D Arts, and the various sciences also have offerings in a hybrid format in order for students to practice key hands-on skills.

The F2F components of these hybrid courses will only be provided if they meet current state and federal guidelines regarding COVID-19. Hybrid classes will have limited student participation in a F2F format at a single point in time to increase safety. Campus labs will be thoroughly cleaned and sanitized regularly. Many labs will also take place outdoors.

What does this mean for me?

You should plan to come to campus or report to your off-campus location during some of the dates and times listed in the schedule. Usually, the lab or field experience component of the course will take place face-to-face, while the lecture component will be virtual through Zoom.

Distance Education

Traditional learning will be re-introduced in **Spring 2021**, allowing students to be on campus in an in-person classroom environment. Classrooms and all common areas of campus will be thoroughly cleaned and sanitized regularly. Please note that should anything change with the pandemic, F2F classes will move the EVE format.

What does this mean for me?

These courses are fully online and offer asynchronous learning. There are no specific days or times associated with these courses.

FIRE ACADEMY

FIR-170C LAKE TAHOE BASIN FIRE ACADEMY, PART 3 12.00 Units

This course is part three of a three-part sequence which culminates in the instructional requirement for Firefighter I certification through the California State Fire Marshal's office. Instruction includes fire fighter survival, auto extrication, wildland firefighting operations, wildland firefighting tools and equipment, fighting exterior fires in high-pile storage, ventilation operations, overhaul, structure fire search and rescue, utility control, fighting vehicle fires, live fire drills, and skill enhancement training. This is a physically demanding course and the curriculum conforms to standards for certification by the California State Board of Fire Services. Students will receive invoices in class to cover the cost of successful completion of individual certifications through the California State Fire Marshal (estimated at \$80). In support of the stated student learning outcomes, this course includes 12 TBA hours, including at least 4 hours for a ride-along with a fire agency. PREREQUISITES: FIR 170B with a grade of "B" or better
