WELCOME BACK TO CAMPUS!

We're so excited to have Coyotes together (but apart) again! LTCC has a few simple mask rules that must be followed in order to keep campus open and maintain a healthy campus and community.

IT'S SIMPLE

Face coverings are required in all public spaces at **all times**

Face coverings must fit **snugly** around your nose and mouth

All public health requirements will be **strictly enforced**.
We appreciate your cooperation!

A second mask is required if you have single-layered cloth mask

NOT ALLOWED:

Bandanas/
Loose cloth
around the face

Face shield in
place of a
mask

Ski buffs/
Neck gaiters

FORGET YOUR MASK?

It happens! An LTCC employee is happy to provide you with the proper mask at check in.

Failure to comply will result in removal from campus facilities and grounds.

Class Formats

Enhanced Virtual Education (EVE)

LTCC offers traditional distant education (DE) courses that provide independent learning and flexibility. For students who wish to have a face-to-face educational experience but in the safest way possible during COVID-19, LTCC offers Enhanced Virtual Education, or EVE.

Like traditional DE, EVE classes are also offered online and use the Canvas system for base information and resources, but they also use Zoom as well as other technologies to provide more “real time” contact. EVE classes are different than DE – they are intentionally designed for students who prefer a face-to-face classroom feel. In EVE classes, you’ll experience:

- A high-touch environment with extra support
- Labs offered in a virtual environment
- Lots of discussion and interaction with your teacher and fellow students
- Use of video for visual learning
- One-on-one support from faculty, including virtual office hours
- Discussions, interactions, projects with faculty and other students offered in “real-time”
- Some synchronous elements offered during the scheduled course days and times
- Other asynchronous elements/course content moved to a virtual environment

What does this mean for me?

You should plan to be available during the times and days listed on the schedule. While the instructor may not use the full time, this is time set aside for synchronous digital learning. Reach out to your instructor with any specific instructions on class timing.

Face-to-Face (F2F)

Traditional learning will be re-introduced in **Spring 2021**, allowing students to be on campus in an in-person classroom environment. Classrooms and all common areas of campus will be thoroughly cleaned and sanitized regularly. Please note that should anything change with the pandemic, F2F classes will move to the EVE format.

F2F

What does this mean for me?

Limited face-to-face courses will be offered in Spring. If you enroll in a F2F course, please ensure that you are available during the days and times listed, and be prepared to come to campus or report to your off-campus location for those courses.

Hybrid

There are some LTCC courses that cannot be entirely duplicated in an online virtual format. These typically involve courses where receiving and demonstrating hands-on knowledge and training are required. These courses usually involve public safety work and are often found in the Allied Health, Fire and EMT, and Wilderness Education and Outdoor Leadership departments. Other courses in Culinary Arts, 3D Arts, and the various sciences also have offerings in a hybrid format in order for students to practice key hands-on skills.

The F2F components of these hybrid courses will only be provided if they meet current state and federal guidelines regarding COVID-19. Hybrid classes will have limited student participation in a F2F format at a single point in time to increase safety. Campus labs will be thoroughly cleaned and sanitized regularly. Many labs will also take place outdoors.

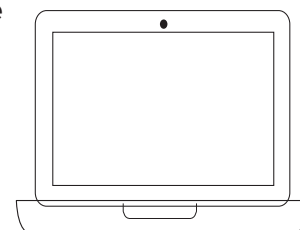

What does this mean for me?

You should plan to come to campus or report to your off-campus location during some of the dates and times listed in the schedule. Usually, the lab or field experience component of the course will take place face-to-face, while the lecture component will be virtual through Zoom.

Distance Education

Traditional learning will be re-introduced in **Spring 2021**, allowing students to be on campus in an in-person classroom environment. Classrooms and all common areas of campus will be thoroughly cleaned and sanitized regularly. Please note that should anything change with the pandemic, F2F classes will move the EVE format.

What does this mean for me?

These courses are fully online and offer asynchronous learning. There are no specific days or times associated with these courses.

ASYNCHRONOUS

learning doesn't necessarily happen at the same time for instructor and students; classwork often consists of independent reading, prerecorded video watching, and other tasks students complete on their own.

SYNCHRONOUS

learning happens in real time between your instructor and your class either face-to-face, or via Canvas, Zoom, or other virtual spaces. Classwork deadlines are often scheduled on consistent days/times, providing structure for those who prefer that.

WORK EXPERIENCE

GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (check the online schedule for dates/times). It is NOT necessary to meet with the instructor or RSVP prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

All orientations have been moved online.

Group orientations are available and RSVP's are required. Students can schedule orientations at <https://calendly.com/ltccworkbasedlearning/wbl-orientation> or by emailing goligoski@ltcc.edu.

INTERNSHIP

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 294 or emailing workexp@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

REG: Walk-in registration only.

WORK EXPERIENCE

GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (check the online schedule for dates/times). It is NOT necessary to meet with the instructor or RSVP prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

All orientations have been moved online.

Group orientations are available and RSVP's are required. Students can schedule orientations at

<https://calendly.com/ltccworkbasedlearning/wbl-orientation>

or by emailing goligoski@ltcc.edu.

Transfer CSU only.
