

SLO Assessment Committee

October 20, 2011

Present: Sara, Beth, Mark

New Feedback for all instructors:

“Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?”

ISSI SLOs Summer 2010

Nine total SLOs submitted

SPA 160D (Pollock)

- Please address the narrative questions more specifically.
- Nice job

SPA 160E (Pollock)

- Same as above

SPA 160FF (Pollock)

- Same as above

SPA 160 H (Pollock)

- Same as above (160D)

SPA 184A (Carter)

- Great job

SPA 186B (Patrick)

- Perfect

SPA 185A (Chicote)

- Good job

SPA 154R

- Nice Job

SPA 181A (Tibbetts)

- Very good

Fall 2010 SLO

BSN 101A Fall 2010

- Good

BSN 110A F10

- Nice job.
- If you have assessed this class before – have you implemented any of the recommended changes that you submitted last time?

Winter 2011 SLOs

BSN 101B Winter 2011

- Good job
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

BSN 110A W 2011

- Good job

BSN 110 B W2011

- Great job

Winter 2011 SLOs (continued)

ECON 101 Winter 2011

- Please remove percentages from the assessment rubric
- Were you satisfied with the outcome of these SLOs?
- Do you have any recommendations for future improvements to student learning?
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

MAT 106 W2011

- Please focus on what you as an instructor can do to improve student learning
- Do you have any recommendations for future improvements to student learning?
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

PHY 107 W2011

- Nice personalized assessment rubric
- Great job
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

PSY/ECE 102 W2011

- Looks good
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

PSY 103 W2011

- Great job
- Please speak with your Department Chair about changing the classroom
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

THE 112B W2011

- Nice SLO Assessment Rubric
- Good Job
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

WRKEXP 132 and 133 Winter 2011

- Great job
- Good use of a variety of measures

SPRING 2011 SLOs

Out of 473 courses offered, 44 SLOs were submitted for Spring 2011
19 were reviewed today in the SLO Assessment Meeting

BIO 212 (?) Zoology SPR 2011

- Please specify if you have any budget recommendations. If you have none, please state "N/A" or "none"
- Is this BIO212 or BIO 111 – plant and animal Biology (that is what is listed in the Spring Schedule)?
- Please check the heading of your assessment.
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

CIS 160B Olsen Spring 2011

- Please provide a narrative for SLOs #1, 2, and 3. If you are satisfied, please state what worked well and how your instruction is leading to student learning and student success.
- Please give a cost estimate for your budget recommendations
- Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in

the past, have you implemented any changes from the last time? Did they work?
Anything else you want to add?

CIS 164 Olsen Spring 2011

- Please give a cost estimate for your budget recommendations
- Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?

ENG 101 and ENG 103 Spring 2011

- Good job indicating your satisfaction with student achievement
- Do you have any recommendations for the future?
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

ENG 206 Spring 2011

- Good job

FIR 161 Spring 2011

- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?
- Good job

FRE 143 Spring 2011

- If you have budget recommendations, please state. If not, please say “none” or “N/A”
- Great job

GEG 135 Spring 2011

- Please focus on how your instruction can be improved to advance student learning
- Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?

HIS 113 Spring 2011

- Please be more specific about what worked well and what didn't
- Please address these questions in your narrative: Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?

HIS 111 Spring 2011

- See feedback above for HIS 113

POL 101 Spring 2011

- Thank you
- Please address these questions in your narrative: Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you

implemented any changes from the last time? Did they work? Anything else you want to add?

JPN 143 Spring 2011

- Great job
- If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?

MAT 103 Spring 2011

- Please address these questions in your narrative: Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?
- Please look specifically at your teaching – what are you doing that can improve student learning?

MAT 118 Spring 2011

- Please address these questions in your narrative: Were you satisfied with the outcome of this SLO? Did students perform at the level that you expected? Why or why not? Do you have any recommendations in the future to improve **student learning** for this outcome? Do you think there is anything that **YOU** could improve upon in your teaching that would improve **student success**? If not, what worked well? Will you change anything in the future? If you have assessed this class in the past, have you implemented any changes from the last time? Did they work? Anything else you want to add?
- Please look specifically at your teaching – what are you doing that can improve student learning?

MAT 187A Spring 2011

- As a side note, Flex time can be used for completion of SLOs – you can do this as your Faculty Flex Project
- Please address the narrative questions
- See feedback for Math 118 and Math 103 above

MUS 113 Spring 2011

- Perfect!
- Next time you assess this class address the following: “If you have assessed this class in the past, have you implemented any changes from the last time? Did they work?” Also you could reexamine whether an additional section of piano instruction is needed.
- Please write budget recommendations (piano)

MUS 203 Spring 2011

- Good job

SARA:

- Steal Rubric from THE 112B – Nice for online classes
