## COYOTE SPOTLIGHT Alondra Gomez

Hello everyone, my name is Alondra and I'm a current student at LTCC. I was fortunate enough to have been born and raised here in South Lake Tahoe. My experiences in this beautiful place has inspired me to one day become a teacher, and travel the world. I'm currently majoring in Liberal Arts and I hope to transfer to a four year university. I wouldn't consider myself a specialist, and I'm interested in many fields. I only hope that I can make a difference in the world and overall learn as much as I can from everything around me. I'm excited for the opportunities ahead and eventually end up where I truly belong.
