COYOTE SPOTLIGHT **Daniel Gonzalez**

What's up guys! My name is Daniel Gonzalez but I usually go by Danny. Right now, I'm majoring in History and about to enter my last year here at LTCC. I intend on graduating with my AA and transferring to UCLA and continue my educational career of ultimately becoming a teacher. My time here at LTCC, both as a student and as an ambassador has helped me to get to know myself and grow a passion for what I want to do with my life, which I am very grateful for. I look forward to spending my final year with you students, staff and faculty!
