STUDENT SPOTLIGHT

Vasti Aranda

Hello everyone!

My name is Vasti, but I also go by Vee. I was born and raised in Hawaii until I was 7 years old and then I moved to Mexico--where I spent most of my life.

I'm currently majoring in psychology and I also love American Sign Language. I believe Deaf Culture is amazing, and we all should have a basic knowledge about it.

One of the things I most like about our college is the warmness it evokes and how nice all college workers are. I'm also a student ambassador so if you ever see me around campus don't be afraid to say hi or ask me any question. I would love to help!
