COYOTE SPOTLIGHT

Brian Grajeda

Hello, I'm Brian Grajeda!

I'm South Lake Tahoe born and raised. I was actually born on Friday the 13th, which I think is super good luck! I love everything about Lake Tahoe. The community, the mountains, and of course, the lake. I graduated from STHS as a proud Viking and became a proud Coyote when I came to LTCC. I have since become very involved in the campus. I founded the Coyote Conversation Club, joined the Student Senate, and was elected LTCC Student Trustee. My passion is soccer, I've played it all my life, and it has been a truly important factor because it has taught me how to work hard and put my everything into something I love. I want to go to Sac State to study political science and hopefully get an internship at the capital working with politicians. I would like to go into politics because I'm going to be the difference I want to see in the world. I'm going to give it my everything, along with a great reputation, and be extremely proud of my job at the end of each day. I want to help as many people as possible through this work, and leave the world a better place than I found it. As the student trustee, I am the voice of the student body. If you ever have anything you want to voice to our administrators, please let me know. I'm easily reachable in the coyote app and I'm on campus four days out of the week. When you see me feel free to say hi and spark up a conversation.
