LTCC SPOTLIGHT

Hello everyone,

My name is Allan and I am a Political Science and History major. I am currently in my last quarter at LTCC and taking mostly history classes to transfer to UC Davis in the fall. I will be graduating this spring with an AA in Liberal Arts with an emphasis in social sciences. As my time at LTCC comes to an end, I will forever cherish and appreciate all the staff and people that have helped me reach my goals!

As a student ambassador, my main goal and purpose is to help you navigate through college and help you reach the goals you have set for yourself. I have been so fortunate to have worked in other departments at the school, so if you have any questions about financial aid, transferring or student life, I would be more than happy to help you find the answer!
