IMPORTANT REMINDER – PLEASE READ BEFORE SIGNING:

By now you should have a Student Education Plan (for your major) on file with the Admissions & Records Office. If you received V.A. benefits from colleges other than LTCC, we must have transcripts from those schools on file as well. It is your responsibility to notify the Admissions and Records Office whenever you change your unit load, withdraw from school, or stop attending any class. Failure to comply with the above can affect your V.A. status.
