C. Acceptance of Gifts & Donations

The Board was presented with a \$4,050 in-kind gift of fine art from Biology Instructor Scott Valentine. The nine prints were painted by Scott's grandfather David Schnabel. The intent of the gift is for the items to be auctioned or sold in the future with the proceeds restricted to the Halden Art Gallery Fund.

Janet Smith moved and Bob Cliff second a motion to accept the in-kind gift from Mr. Valentine. The motion was approved unanimously

D. Approval of Foundation Board membership for Leon Malmed

Bob Cliff presented the nomination of Leon Malmed for consideration of membership to the Foundation Board. Mr. Malmed is a retired engineer with a passion for education and assisting others. Leon is an accomplished author, public speaker, a board member of Socket Mobile Inc. and a fitness enthusiast. He and wife Patricia are local residents and committed to serving the community.

Bob Cliff moved and Bob Novasel second the nomination of Leon Malmed to the LTCC Foundation Board. The motion was approved unanimously

E. Financial Report

Jeff DeFranco reviewed the Annual Fund which is tracking better than the previous year. At the close of the 3rd quarter \$25,457 has been received on an annual budget of \$45,000. A few adjustments have

been made to the Taste of Gold actuals to reflect a few receivables and in-kind gifts that were labelled incorrectly. Savings in salary and benefits is helping to offset revenue not realized in the President's Circle and Special Event line items. It was recommended that the Finance Committee meet in mid April to receive results of the Foundation audit for 2011-2012 and to review all assets of the Foundation. Discussion arose regarding the LTCC Foundation by-laws.

A committee of Peter Bostic, Bob Cliff, Kindred Murrillo and Ron Stallings were selected to review the by-laws and report back to the Foundation Board.

V. Reports & Discussion

Taste of Gold update – Discussion ensued regarding the pros and cons of moving the Taste of Gold from a Saturday evening to mid-week. It was decided to keep Taste of Gold on a Saturday evening but the Board suggested that an additional event in the fall mid-week could be a possibility. Adele Lucas suggested that we take advantage of ticing a fall event in with Octoberfest.

It was moved by Ron Stallings and seconded by Deanna Brothers to hold Taste of Gold on Saturday, July 13 for 2013.

Superintendent/President Report – Dr. Murillo reported on the new legislation, SB 329 authored by State Senator Ted Gaines. SB 329 if passed will allow for those who reside within the Lake Tahoe Basin and specifically in Nevada communities to attend LTCC at California resident rates. Kindred requested that the Foundation Board assist her in a writing campaign to generate additional support from both the California and Nevada side. Ron Stalling suggested that this might be a good time to reconnect with the Parasol Foundation.

Kindred also informed and invited the Foundation Board to a college Visioning planning meeting on June 1 from 9-1 p.m. This meeting of internal and external constituents will address the future of the college. Where do we expect LTCC to be in 5-10 years forward. Issues such as addressing the local need for four-year degrees, student housing, and the possibility of becoming a "Destination College." The college must implement a plan to restore Full-Time Equivalent Students (FTES). New regulations such as "Repeatability" will have a tremendous impact on our college as will other trends in education such as Massive Open Online Courses (MOOC). The college is faced with an projection of a short fall next year of \$750,000.

Scholarship Ceremony

Bostic expressed his desire to separate the scholarship ceremony and graduation which occur on the same day. It is too late in the year to make that change now but Peter felt that we could raise more scholarship funds by making the scholarship ceremony a stand alone event. Ron Stalling requested that the Board receive more information on the history of the LTCC scholarship program. Kindred noted that the college funded approximately \$77,000 in scholarships last year. Peter will schedule a scholarship update for a future meeting. Jan Smith requested that more Foundation Board members join her at the scholarship ceremony this year which will take place the afternoon of June 28th.

CASE Part-Time Assistant

Bostic presented a request for the Foundation to consider funding ¼ of a staff person to assist with Foundation administration functions such as database management, Taste of Gold and marketing of the Foundation. Bob Cliff and others expressed their concern about the return on investment for staff cost and where is the source of funds to pull from. Jeff DeFranco noted that the Foundation did have the resources from the funds they have saved in salaries this year compared to budget. After a highly engaged dialogue it was agreed by common consent that the Foundation fund up to a maximum of

\$4,000 for a CASE assistant and that the Finance Committee will address any future commitment when the budget for 2013-2014 is developed.

Foundation Planning Retreat

Bob Cliff introduced the idea of having a Foundation Planning retreat in the near future. Bostic suggested that a retreat might be very timely once the college has its visioning meeting so that the Foundation's goals can be in alignment with the future direction of the college as a whole.

VI. Announcements and Comments

Bostic announced that LTCC will have a booth at the South Chamber of Commerce Business Expo

VII. Next Meeting

The next Foundation Board meeting is scheduled for May 15th. The board will need to meet in June for the annual meeting including budget approval for 2013-2014. The date will be determined at our May meeting.

VIII. Adjournment

Bob Novasel adjourned the meeting at 7:55 pm
