

## Memorandum of Understanding

The Lake Tahoe Community College District (“District”) and that Lake Tahoe Community College Faculty Association (“Association”) agree faculty on the reduced workload program may bank up to a regular load of 8 units for the 2021-22 academic year. This Agreement shall be non-precedent setting, shall not apply to any years beyond units earned in the 2020-2021 academic year, and is strictly in response to the Covid-19 pandemic.
