# Guidance and Planning for Success (GPS) Requirements

*Getting started at LTCC  
is as easy as A, B, C...*

**A. NEW STUDENT ORIENTATIONS:** Orientations are designed to help our new students learn more about LTCC, our processes and procedures, resources available, financial aid information, involvement opportunities, and educational planning; they also provide a chance to meet other new students. Students will take part in a campus tour as well as an interactive workshop involving PASSPORT, the student information portal. An orientation takes about 3 hours to complete. Choose the one that meets your needs and call for a reservation. Your student ID# is required to RSVP. LTCC online students who live out of the immediate areas need to contact the ONE-STOP for information about an online orientation option.

## SPRING Orientations

# COYOTES WITH A CAUSE...

## LTCC Student Clubs support community efforts!

Circle K Club supports the Kiwanis Club of Lake Tahoe, and this year has volunteered over 250 hours supporting local youth! Their most recent collaboration includes the Coats for Kids project, organizing over 350 coats for local kids in the Lake Tahoe Unified School District as well as LTCC and the Giving Tree to support gifts for special needs children this last Christmas.

For the 22nd year, the Math Club collaborates with homeschooled students and the Lake Tahoe Unified School District, volunteering to provide math tutoring for all ages. The Science Club partners with many local efforts to bring STEM into the community. This year the club has been working with the Lake Tahoe Unified School District to bring the world of coding to Tahoe youth! The “Hour of Code” teaches youth all about the basics of computer coding.

The International Club has been supporting the Lake Tahoe Humane Society for nearly four years! Portions of the proceeds from all fundraisers support the Humane Society's local efforts.

The H.O.P.E. Club supports the Family Resource Center (FRC) by volunteering at their community events, such as the Cinco de Mayo Fundraiser, and interpreting during legal immigration clinics. The club also helps with promoting FRC events and activities as well as connect students to FRC services.

Want more information? Contact the Office of Student Life at [booth@ltcc.edu](mailto:booth@ltcc.edu) or call 530-541-4660 ext. 477.

# Los COYOTES CON UNA CAUSA...

## ¡Los clubs de LTCC apoyan los esfuerzos de la comunidad!

El club Circle K (Círculo K) apoya al Club de Kiwanis de Lake Tahoe, y este año se ha ofrecido como voluntario contribuyendo con más de 250 horas para apoyar a la juventud local. Las colaboraciones más recientes incluyen el proyecto Coat for Kids (abrigo para niños) que organizó la distribución de más de 350 abrigo para niños del Distrito Unificado Escolar de Lake Tahoe al igual que para los de LTCC y también el Giving Tree (el árbol que da) que repartió regalos a niños con necesidades especiales estas últimas navidades.

Desde hace 22 años, el Club de Matemáticas colabora con estudiantes que son educados en casa y con el Distrito Unificado Escolar de Lake Tahoe proveyendo tutoría de matemáticas para todas las edades. El Club de Ciencias es parte de muchos esfuerzos para traerle STEM (Ciencias, Tecnología, Ingeniería y Matemáticas) a la comunidad. Este año, el club ha estado trabajando con el Distrito Unificado Escolar de Lake Tahoe para traerle a la juventud de Tahoe el mundo de la codificación. "La Hora del Código" le enseña a los jóvenes sobre la base de codificación de computadoras.

El Club Internacional ha apoyado a la Humane Society de Lake Tahoe por casi cuatro años. Parte de las ganancias de todas las recaudaciones de fondos apoya los esfuerzos de La Humane Society de Lake Tahoe.

El Club H.O.P.E. apoya al Family Resource Center (FRC) con voluntarios en los eventos comunitarios, tales como en la recaudación de fondos durante la celebración del 5 de mayo, e interpretando durante clínicas legales de inmigración. El club también ayuda promoviendo eventos y actividades del FRC al igual que conectando a estudiantes con los servicios del FRC.

# Coyote Soccer - 2017 Season Wrap-Up

Congratulations to our Coyote men's and women's soccer teams on yet another electrifying season! At one point this fall, both teams were in the top 20 in United Soccer Coaches Junior College Division III national rankings – the men were ranked as high as #8, and the women #10.

Under the leadership of Head Coach Jeremy Evans and Assistant Coach Nicole Vandehurst, our women's team finished the regular season ranked #10 in the country and went on to win the Golden Valley Conference (GVC) with a 12-0 record, breaking conference records in the process. Coach Evans, whose efforts and commitment to his players resulted in a history-making season, earned the award for Coach of the Year in the GVC. The team gave up only one goal in conference play and scored 82! It was a joy to watch the women play such beautiful soccer. They ultimately lost in the second round of the regional playoffs to Santa Rosa Junior College in an intense game that could have gone either way. It was a hard loss, but the women Coyotes have a lot to feel proud about this season.

Our men's team ended the season tied with Feather River for second place in the GVC but did not advance to the playoffs due to Feather River's higher power ranking. The squad, led by Head Coach Nick Arbelaez and Assistant Coach Steve Maltase, finished with an overall record of 12-3-4 – yet another winning season for the men! In any other year, that outcome would have been enough for a playoff berth, but revitalized Lassen and Feather River teams proved a tough obstacle to overcome.

There were several student-athletes from both teams who earned academic and all-conference awards during the 2017 season.

For the women, Rebecca Niblett and Kenya Brazzell were honored as Scholar-Athletes (sophomores with minimum 3.3 GPA). Lewis Gillings and Josh Sapsed received that award on the men's side. First year student Madison Boyd earned the prestigious Most Valuable Player award for her dominance in the backfield. Sophomores Caitlyn Bidart and Dalton Rice both received Defensive Player of the Year awards. Melanie Ara, Claudia Janese, Sean Keith, Rebecca Niblett, and Manuel Sarabia were

all recognized as First Team All-Conference for their value on the field. Jazmine Corvalan, Jorge Medina, Graciela Palencia, Josh Sapsed, and Zareli Villa were chosen as Second Team All-Conference. At the national level, sophomore Rebecca Niblett was named to the 2017 United Soccer Coaches Junior College Women's Scholar All-America Team for Second Team! She is LTCC's first woman to receive this honor.

Most of our sophomore student-athletes will be transferring to four-year colleges and universities this year to go to the next level of education and athletic competition. LTCC wishes our sophomores all the best on their endeavors! Meanwhile, we're excited to see the first year students return next season to represent LTCC on the pitch.

# Concluye la temporada de fútbol Coyotes del 2017

**Felicidades a nuestros equipos Coyotes femeninos y masculinos por darnos otra electrizante temporada. En un momento este otoño, los dos equipos de fútbol estaban en el top 20 de la Clasificación Nacional del United Soccer Coaches Junior Division III — los hombres estaban clasificados como #8 y, las mujeres #10.**

Bajo el liderazgo del entrenador en jefe Jeremy Evans y entrenador asistente Nicole Vandehurst, nuestro equipo femenino terminó la temporada regular clasificado #10 en el país y ganando la Conferencia Golden Valley (GVC) con un récord de 12-0, rompiendo los récords de la conferencia. El entrenador Evans, cuyos esfuerzos y compromisos a sus jugadores resultaron en una temporada histórica, ganó el premio de Coach of the Year (entrenador del año) en la GVC. El equipo sólo cedió un gol en el juego de conferencia, y ¡anotaron 82! Fue un gusto ver al equipo femenino jugar un fútbol tan hermoso. Al final le perdieron a Santa Rosa junior College en la segunda ronda de los playoffs regionales en un juego intenso que pudo haber sido para cualquiera de los dos. Fue duro perder, pero las Coyotes femeninas tienen mucho de que estar orgullosas esta temporada.

Nuestro equipo de hombres terminó la temporada empatados en segundo lugar con Feather River en el GVC pero no avanzaron a los playoffs porque Feather River tenía una clasificación de mayor poder. El escuadrón, dirigido por el entrenador Nick Arbelaez y el entrenador asistente Steve Maltase, terminó con un registro general de 12-3-4 — aún otra temporada ganadora para los hombres. En cualquier otro año, ese resultado hubiera sido suficiente para un puesto de desempate, pero los equipos revitalizados de Lassen y Feather River resultaron ser obstáculos difíciles de superar.

Varios estudiantes atletas, de los dos equipos, ganaron premios académicos y de all-conference durante la temporada del 2017. De las mujeres, Rebecca Niblett y Kenya Brazzel fueron honradas como Scholar Athlete, atletas eruditas, (de segundo año con un promedio mínimo de 3.3). Lewis Gillings y Josh Sapsed recibieron ese premio del lado de los hombres. La estudiante de primer año, Madison Boyd, ganó el prestigioso premio de Most Valuable Player (jugadora más valiosa) por su dominio en el backfield (campo trasero). Las sophomores (de segundo año) Caitlyn Bidart y Dalton Rice recibieron el premio Defensive Player of the Year. Melanie Ara, Claudia Janese, Sean Keith, Rebecca Niblett y Manuel Sarabia fueron reconocidos como First Team All-Conference por su valor en el campo. Jazmine Corvalan, Jorge Medina, Graciela Palencia, Josh Sapsed y Zareli Villa fueron elegidos como Second Team All-Conference. Al nivel nacional, Rebecca Niblett fue seleccionada para el 2017 United Soccer Coaches Junior College Women's Scholar All-American Team for Second Team! Ella es la primera mujer de LTCC en recibir este honor.

La mayoría de nuestros estudiantes — atletas de segundo año transferirán a universidades de cuatro años este año para ir al siguiente nivel de educación y competencia atlética. ¡LTCC les desea a nuestros estudiantes de segundo año lo mejor en sus esfuerzos! Mientras tanto, estamos emocionados esperando a nuestros estudiantes de primer año que regresarán la próxima temporada para representar a LTCC en el campo.

# Congratulations Fall Honor Roll Students!

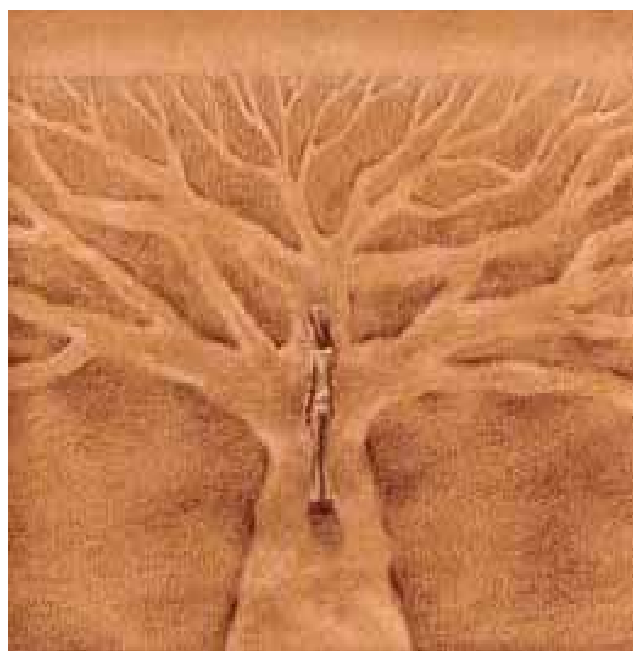

The 2017 LTCC Fall Quarter Academic Honor Roll students were invited to a special ceremony at the college on January 16, 2018. Attendees were awarded with a certificate of achievement and sweet treats for a job well done.

Both the President's and Dean's Honor Roll students are recognized each quarter. The President's Honor roll is for those students enrolled in at least 12 units who achieved a perfect 4.0 Grade Point Average (GPA), and the Dean's Honor Roll recognizes those students enrolled in at least 12 units who achieved a 3.65 to a 3.99 GPA.

The college is very proud of these students and their academic achievements. Many of these students balance numerous responsibilities with their family and outside work. Their dedication and commitment to success in the classroom is to be commended.

The quarterly honor rolls are posted on the LTCC website. Students who maintain this level of academic success are also eligible for graduation honors.

### **Family Education Rights and Privacy Act**

The Family Education Rights and Privacy Act (FERPA) requires educational institutions to provide students (or their parents, if the students are under 18 and have provided written consent) access to education records directly related to the student. The College is also required to obtain the written consent of the student before releasing personally identifiable information other than to specified persons and agencies allowed by law. The act provides that the college may release certain types of information (directory information). To withhold disclosure of directory information, written notification must be received in the One-Stop Center prior to the first day of the quarter the student is attending. Please see the LTCC Catalog for additional information.

## Plan Ahead for EMT in Spring 2018!

To improve student success, this course will require instructor consent to enroll beginning this Spring. **All interested students must attend the EMT mandatory Orientation. RSVP on our website: [http://www.ltcc.edu/academics/academic\\_programs/allied\\_health/emergency\\_technician.php](http://www.ltcc.edu/academics/academic_programs/allied_health/emergency_technician.php)**

## In-Service Training for Firefighters

LTCC is partnering with local fire agencies to offer in-service training. For more information, please contact the CTE office at (530) 541-4660, ext. 583.

## Plan Ahead! Lake Tahoe Basin Fire Academy Mandatory Prerequisite

If you are interested in attending the Lake Tahoe Basin Fire Academy, you are required to have a 21-hour minimum Emergency Medical Responder class.

The Fire Academy begins each fall quarter, and you are required to have the prerequisite completed prior to the first day of class. You may meet the pre-requisite by taking any of these LTCC courses:

**HEA 106 - Emergency Medical Responder**  
**WLD 107B - Wilderness First Responder**  
**HEA 140C - Emergency Medical Technician**

If you have questions, please contact the Fire Academy Coordinator at 530-541-4660 x554 or [lallen@mail.ltcc.edu](mailto:lallen@mail.ltcc.edu).

## Attention CPR/BLS Students

CPR/BLS courses are offered directly through the American Heart Association Training Center at Barton University. EMT students looking for certifications to satisfy HEA 140C's (EMT) prerequisite will need to register for Basic Life Support (BLS) Certification through Barton University. Register for this non-LTCC course directly through the Barton University website. Please call (530) 543-5549 for more information.

**NOTE: Students wishing to satisfy HEA140C's (EMT) prerequisite through LTCC courses should register for HEA 106 or WLD 107B. Prerequisite courses must be completed PRIOR to registering for HEA 140C.**

## ATTENTION CTE STUDENTS!

**PUBLIC SAFETY CLASSES** are offered through LTCC/South Bay Regional Public Safety Consortium! Check our online schedule at [schedule.ltcc.edu](http://schedule.ltcc.edu) for details. These classes are held off-campus at the South Bay Academy.

## Attention Nursing Students!

## Open Educational Resources **ZERO TEXTBOOK COSTS**

LTCC IS COMMITTED TO PROVIDING AN AFFORDABLE  
EDUCATION FOR ALL STUDENTS.

LTCC is working to provide **free and low cost textbooks** for our courses that require texts. Several courses have already moved in this direction and there will be many more to come. We hope to offer full degree and certificate programs where students can complete their coursework without spending a dime on textbooks.

Look for **Zero  
Textbook Cost  
sections  
highlighted in

## Opportunities for CA Corrections Staff

Lake Tahoe Community College has partnered with the California Department of Corrections and Rehabilitation (CDCR) to provide an opportunity for CDCR staff to earn online certificate and associate degrees through the college, particularly in the fields of Criminal Justice and Administration of Justice (CRJ).

“With (CDCR) Secretary (Scott) Kernan’s full support, one of the primary goals of the Department is to expand educational opportunities for CDCR staff,” said Associate Director Stacy Lopez. “This educational opportunity opens the door for professional growth and increases potential for promotions.”

Certain CDCR employees have the opportunity for pay increases and promotional opportunities by taking college classes. LTCC designed a webpage ([www.ltcc.edu/cdcr](http://www.ltcc.edu/cdcr)) for CDCR staff with information on the college, the CRJ program and courses, admissions information, and answers to frequently asked questions.

“There are great career pathways available in the field of corrections,” said Brad Deeds, Dean of Workforce Development and Instruction at LTCC. “We have a fully online program that will enable you to advance in your career with the CDCR through flexible scheduling, high quality education, and dedicated student support services. We are here to assist you in achieving your goals every step of the way.”

## SNOW DAY POLICY

In the event of extreme weather conditions, please check the LTCC website, [www.ltcc.edu](http://www.ltcc.edu), social media, or call the college's main line (530) 541-4660. If classes are to be cancelled or delayed, every effort will be made to contact radio and television stations by 5:30 am.

Announcements will be made on the following stations: KRLT/KOWL, KTHO, Lake Tahoe TV, and Outside TV. Note that television and radio stations sometimes take 15-30 minutes to update their lists. Before leaving home, check again for delays or cancellations.

If classes are to be cancelled or delayed, please take note of the following:

✱ ALL CLASSES CANCELLED — all day and evening sections will be cancelled and the college will be closed.

✱ CLASSES CANCELLED — DAY sections only — all classes starting before 5:30 pm will be cancelled. All classes starting at 5:30 pm or later will be held.

✱ CLASSES CANCELLED — EVENING sections only — all classes starting at 5:30 pm or later will be cancelled.

✱ CLASSES "DELAYED" UNTIL A CERTAIN TIME. - Example: "Classes delayed until 10:00 am" would mean that ALL classes starting before 10:00 am are cancelled, while classes starting at 10:00 am or later will be held.

With respect to holding or cancelling classes during bad weather, experience has shown that there is never a decision that satisfies everyone. Students and faculty are expected to use good judgment and discretion, since road conditions and personal circumstances may vary. If you are driving to LTCC and it is snowing, please be careful and leave yourself enough time to drive slowly and still arrive in time for your classes.

## Keeping Our Campus Safe

In an effort to quickly and seamlessly inform the campus and community about emergencies, we now offer LTCC Alert. This mobile emergency notification system allows users to receive notifications via text, email, and voice regarding fires and other emergencies, weather closures, power outages, and other on-campus situations that may affect normal business operations.

All currently registered students are automatically entered into LTCC Alert each quarter based on contact information provided during the registration process. Your LTCC Alert login credentials are the same as those you use to login into Passport. If you'd like to make changes to your LTCC Alert account, including stopping messages from going to your cell phone or email address, go to [www.getrave.com/login/ltcc](http://www.getrave.com/login/ltcc) and select the My Account tab.

Community members, parents, former LTCC students and others who want to receive LTCC Alert emergency notifications can self-register by going to <https://www.getrave.com/login/ltcccommunity>.

LTCC Alert will only send messages related to emergencies and timely notifications. We respect your privacy, and you will never receive any SPAM or notifications other than official LTCC communications.

## Foster & Kinship Care Education Program

LTCC offers free, non-credit trainings in Foster and Kinship Care Education. Courses are taught in both English and Spanish. Both programs are designed to support foster parents, relative caregivers, and non-relative caregivers, but can be valuable for anyone working with children. Sessions consist of lectures by quality trainers, interactive material, and dynamic group processes. Topics focus on parenting skills, child development, trauma informed care giving, accessing community resources, cultural diversity training, and other specialized topics regarding local issues. RSVP is appreciated but walk-ins are welcome. These trainings are free to the public and all community members are welcome. See below for details.

### EDUCATION IN SPANISH

Las clases serán impartidas en Español para padres y tutores que cuidan a niños de familiares/amigos. Las sesiones consistirán de lecturas, segmentos de videos, y procesos en dinámica de grupos. El currículo se enfocara en 1) recursos comunitarios, 2) etapas y procesos del desarrollo, 3) desarrollo de una relación entre padres y hijos, 4) toma de decisiones y consecuencias, 5) el poder de motivar, y 6) disciplina positiva.

REG: Todos son bienvenidos a registrarse en esta clase. Las inscripciones se haran dentro de la clase y directamente con el instructor. Favor de no dirigirse a la oficina de Admisiones y Registros para matricularse. Las capacitaciones se dan todos los martes y miércoles durante todo el trimestre. Para mas información, por favor llame al Centro de Recursos Familiares al (530) 542-0740.

### EDUCATION IN ENGLISH

These trainings are geared toward educating and empowering English-speaking foster parents, kinship care providers, and non-relative caregivers. Trainings also can be educational for anyone working with children. Classes consist of 3 hours of training. Trainings are independently offered and will cover different topics. Trainings occur on Monday nights approximately two times per month with special event trainings occurring throughout the year. English Kinship support classes are held the third Friday of every month in the evening. For more information, call Dana McKnight Flentroy at ext 528 or email at mcknight@ltcc.edu.

NOTE: No cost. Dates subject to change.

For the 2017-18 academic year, 37 sections of dual enrollment courses will be offered at South Tahoe High School. These sections are offered in the following areas:

- DMA 112 Digital Media Arts (4 units)
- HEA 106 Emergency Medical Responder (4 units) aligned to South Tahoe High School's Sport Medicine 1 class
- HTR 141A College and Career Choices: The 10 Year Plan (aka "Get Focused, Stay Focused") for STHS freshmen (5 units)
- HTR 141B Attitudes and Aptitudes for College and Career Readiness for STHS sophomores (1.5 units)
- HTR 141C Determining an Informed Major and Post-secondary Education Plan for STHS juniors (1.5 units)
- PET 102A Care and Prevention of Athletic Injuries aligned to the STHS Sports Medicine 2 class (4 units)

Interested students should contact Danny Masellones at (530) 541-4660 ext. 282 or their high school counselors.

**All Physical Education *Fitness (PEF)* classes will only meet once during finals week at the regularly scheduled class time on the scheduled date of the final.**

This schedule is for full quarter-length classes. Short term classes have their final on the last day of classes. All final exams will be conducted in the regularly scheduled classrooms. All students are expected to take their final exams at the scheduled times. Should a student have three or more examinations scheduled in one day, he or she may be given the opportunity to make up one exam with prior approval from the instructor. **The following time blocks are open for exam conflicts: Tuesday, June 26, from 9:00-10:50am and 1:00-2:50pm.**

Welcome!

The [California Community College Online Education Initiative](#) is piloting an online course exchange that will enable students from any participating California Community College to enroll in and complete a course from another participating college. The courses will easily apply toward completion of a degree at the student's home college. Lake Tahoe Community College is one of the selected pilots to test the program and this exchange, which is also available to our students.

Planned OEI course offerings this spring include:

**CRJ 101- Introduction to Criminal Justice**

**ECE 102- Child and Adolescent Growth and Development**

**ECO 102- Principles of Economics (Micro)**

**ENG 101- Reading and Composition**

**MAT 201- Elementary Statistics**

**POL 101- Introduction to American Government and Politics**

**PSY 101- General Psychology**

This effort consists of many elements to support students, which include:

- offering the course using **Canvas** (our new online learning management system replacing Etudes);
- providing students with resources for online learning readiness (**Quest for Online Success**);
- facilitating FREE online tutoring services (**NetTutor**); and
- providing online counseling/advising (**Cranium Café**)

The purpose of the California Community College Online Education Initiative (CCCOEI), and Lake Tahoe Community College's participation, is to provide better access and quality leading to course completion via the online learning environment.

Online courses are delivered using Canvas (the new learning management system replacing Etudes). Make sure to visit [www.ltcc.edu/online](http://www.ltcc.edu/online) to access information related to online courses, being an online learner, and preparing for your online Canvas course(s).

## 24/7 HELP FOR ONLINE STUDENTS

You can get help by accessing the [Canvas Student Guides](#), sending an email to [support@instructure.com](mailto:support@instructure.com), or calling the Canvas Support Hotline (nights and weekends only, 6pm – 8am PST at 877-892-6517).

If it's the first time you have taken an online class using Canvas, be sure to attend the online orientation or a face-to-face workshop listed below.

## GETTING FAMILIAR WITH CANVAS

Two options for learning how to navigate Canvas:

- **Online, Self-Paced Orientation.** Go to <https://laketahoecce.instructure.com/enroll/YAFH46> and use your LTCC email address to self-enroll (must be an LTCC student to participate).
- **Face-to-Face Workshop.** Learn how to use our online course management system in a free workshop designed to help you get started. Learn how to locate lesson modules, find and submit assignments, take online quizzes/tests, participate in online discussions, and send and receive messages. First come, first served, no reservations required.

**Mon., 4/9 ~ 10am-11:30am**

**Tues., 4/10 ~ 5:30pm-7:00pm**

**Wed., 4/11 ~ 2pm-3:30pm**

**All workshops will be in Room D125.**

# Online Courses

LTCC's online courses are delivered using Canvas. To register, go to [www.ltcc.edu/online](http://www.ltcc.edu/online) to access information related to online courses, being an online learner, and preparing for your online Canvas course(s).

Students taking online courses must log in and actively participate during the first week of the course or make special arrangements with the instructor to avoid being dropped. The course will be available for viewing the first day of class.

HOW DO I REGISTER? Registration and student information begins on page 5.

Look for this symbol near the dates of all 'Late Start' (condensed) courses, starting after the first week of classes

or later. These condensed courses give students additional options and flexibility to fulfill degree requirements.

## ZERO TEXTBOOK COSTS

Each section that is highlighted in orange identifies classes that have FREE textbooks.

For more information, please go to LTCC's Open Educational Resources webpage at:  
<http://www.ltcc.edu/campusresources/oer.php>

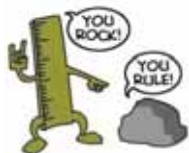

Look for this symbol on all classes held during evening hours (starting 6pm or later).

## LEARNING DISABILITY ASSESSMENT:

Students who are interested in being tested for eligibility for Learning Disability Services should contact the DRC at ext. 249 or drop by the DRC in Room A205. Learning Disability Assessment will be conducted on a first-come/first-serve basis, depending upon student availability for testing appointments. If you have difficulty with one or more classes, with test-taking, or with a particular learning-related activity, please stop by the DRC to talk about this great service for students.

PHYSICAL SCIENCE TEACHER  
TRAINING (PART III)

This course is designed for K-12 physical science teachers. It will incorporate the state of California's Next Generation Science Standards (NGSS) into physical science curricula. Through hands-on instruction, K-12 teachers will be provided the tools and skills to integrate Science, Technology, Engineering, Art, and Mathematics (STEAM) into the physical science curricula of K-12 classrooms. In addition to class time, the course requires 12 hours of structured field work in public school elementary or secondary classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus approved certificated classroom teacher.

ADVISORIES: This class is intended for K-12 California science teachers.

## INTERNSHIP

### INTERNSHIP - GENERAL WORK EXPERIENCE

Internship - Occupational Work Experience is a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at [ltcc.edu](http://ltcc.edu) or at the Work Experience / Internship Office. Next, make an appointment to interview with instructor by calling ext. 294 or emailing [workexp@ltcc.edu](mailto:workexp@ltcc.edu). Attend mandatory orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one unit. Each 40 hours of non-paid work equals one unit.

**COREQUISITES:** Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at [www.ltcc.edu](http://www.ltcc.edu) under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

### INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

## CONCURRENT COURSES

If two or more course sections share the exact dates, times, and classroom, they will be noted as "concurrent" with each other.

If two or more course sections share dates and a classroom, but the specific times of the sections only partially overlap, those sections will be noted as "partially concurrent."

These concurrent and partially concurrent courses are typically included in Families within the subjects of ART, MUS, PEF, THE, and WLD.

## WORK EXPERIENCE

### GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed. The program encourages participants to identify new and challenging objectives on the job and can result in improved employable skills and career advancement. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory orientation (check the online schedule for dates/times). It is NOT necessary to meet with the instructor or RSVP prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

Please choose one of the following Orientation times/days (no RSVP needed):

**Tuesday, 3/20 from 12 PM to 1 PM**  
**Wednesday, 3/21 from 12 PM to 1 PM**  
**Thursday, 3/29 from 12 PM to 1 PM**  
**Tuesday, 4/10 from 12 PM to 1 PM**  
**Friday, 4/13 from 12 PM to 1 PM**

NOTE: If a student is unable to attend one of the above mandatory orientation dates due to an unavoidable work or class schedule conflict, please call ext. 703 to schedule an appointment with the Instructor.

Transfer CSU only  
 REG: Walk-in registration only.

# Financial Aid

Office Hours: Monday - Friday 8:00 am - 5:00 pm

## Fee Waiver Program

The State of California will waive the enrollment fee for all qualifying students who apply for the Board of Governors Fee Waiver\* (BOGFW). This program provides three ways to help students pay the enrollment fee. Students eligible in one of the three following areas should visit the Financial Aid Office, Room A102, before registering for classes. Applications will normally be processed within 24 hours.

**\*Fee waiver does not cover the Student Representation fee of \$2. To opt out of the fee, please go to the One-Stop Center, A102.**

### BOGFW A

To be eligible you must:

- Be a California resident or eligible AB540 Student
- At the time of enrollment be a CalWORKs/TANF recipient or SSI/SSP or General Assistance/General Relief recipient
- Provide documentation, such as CalWORKs/TANF or SSI check. Further documentation may include: a copy of correspondence from the local office of Public Assistance which identifies the student or, if applicable, the family and indicates that a monthly grant is being awarded for the current or prior month. This can include a copy of an Adjustment-to-Benefits letter, Notice of Action, or Aid Verification Summary that shows current receipt of CalWORKs/TANF, SSI or General Assistance/General Relief and the amount of the grant.

### BOGFW B

To be eligible you must:

- Be a California resident or eligible AB540 Student
- Meet Dependency Standards
- Meet 2015 Income Standards

### BOGFW C

To be eligible you must:

- Be a California resident or eligible AB540 Student
- Provide your 2017-2018 Student Aid Report based on filing the Free Application for Federal Student Aid (FAFSA) indicating financial need.

### SPECIAL CLASSIFICATIONS:

You may also qualify for a fee waiver if you are determined to be a California resident or eligible AB540 student and you meet any of the following special classifications:

- You have certification from the CA Department of Veterans Affairs that you are eligible for a dependent's fee waiver.
- You have certification from the National Guard Adjutant General that you are eligible for a dependent's fee waiver.
- You are eligible as a recipient of the Congressional Medal of Honor or as a child of a recipient, and can provide documentation of this from the Department of Veterans Affairs.
- You are eligible as a dependent of a victim of the 9/11/2001 terrorist attack and can provide documentation from the CA Victim Compensation and Government Claims Board.
- You are eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty, and can provide documentation from the public agency employer of record.

Making your educational dreams come true can be expensive. Enrollment fees, tuition, and the cost of books and supplies, added to daily expenses, can stretch a normal budget beyond its limits. Financial Aid is one way to expand those limits while making an investment in your future.

Lake Tahoe Community College participates in a number of federal and state programs designed to help you if you need financial assistance to further your education. If you are pursuing a certificate, A.A. Degree or transfer, and have financial need, you may be eligible for these programs, in addition to the fee waiver:

- **Grants** – awards you do not have to repay (unless you drop all classes before completing 60% of the quarter)
- **Federal Work Study** – part-time work paid monthly
- **Scholarships** – awards usually based on academic achievement

Financial aid programs available through LTCC include:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study (FWS)
- Extended Opportunity Program & Services (EOPS) Book Voucher, State funded
- Scholarships, Locally funded
- Board of Governors Fee Waiver, State funded
- Cal Grant, State funded
- Full-time Student Success Grant, State funded

**To apply for any of these programs, please stop by the Financial Aid Office for forms and complete information and eligibility requirements. It costs nothing to apply; don't count yourself out of financial aid because you think you won't qualify. Processing may take from 6-8 weeks.**

# Fees & Refunds

## Enrollment Fees For Credit Classes *(Enrollment fees are per unit.)*

### California Residents: \$31 per unit\*

<b>Out-of-State Resident Fees:</b>	\$ 31 per unit enrollment fee
	+ <u>\$156 per unit non-resident tuition</u>
	<b>\$187 per unit</b>

\* All fees subject to change by action of the California Legislature. See [www.ltcc.edu/fees](http://www.ltcc.edu/fees) for updated information.

### Exemption From Non-Resident Tuition

If you attended a California high school for a minimum of 3 years *and* graduated or attained the equivalent to a high school diploma (e.g., a GED or a high school proficiency exam) from a California high school, you may qualify for a non-resident tuition exemption. For more information, check with Enrollment Services.

### Interstate Agreement

If you are a Nevada resident who lives in the 89402, 89451, 89450, 89413, 89448 or 89449 zip codes you may be eligible for an out-of-state tuition exemption through the Interstate Attendance Agreement between California and Nevada. Contact the One-Stop/Enrollment Services office for more information about reduced tuition for Nevada residents living in these zip codes.

### Student Health & Representation Fees

All students enrolled for classes are required to pay a health fee of \$3 per quarter for emergency accident insurance. Students who rely solely on prayer for healing may be exempt from the health fee; see Enrollment Services for details. All enrolled students are also asked to pay \$2 per quarter for student representation. (Ed. Code 76060 and 76060.5) Students receiving Financial Aid may be exempt from health and representation fees; see the Financial Aid Office for details.

### Board of Governors Fee Waiver (BOGFW)

For more information, see page 48 of this schedule.

### Open Enrollment and Non-Discrimination

It is the policy of the Lake Tahoe Community College District that, unless specifically exempted by statute, every course, course section, or class shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to regulations. It is also the policy of Lake Tahoe Community College not to discriminate on the basis of race, sex, physical handicap, religion, color, creed, national origin, language, or age in any of its educational and employment programs. Any questions regarding this policy should be referred to the Vice President, Academic Affairs.

## Attention: Non-residents

Did you attend a California high school? Students who can answer yes to the questions below may qualify for lower fees through a non-resident tuition exemption:

- Did you attend one or more California high schools for at least 3 years?
- Did you graduate, or earn your High School Equivalency?

**Contact Enrollment Services for more information.**

## High School Students

High school students wishing to enroll in coursework at Lake Tahoe Community College are subject to special enrollment procedures. Information regarding those procedures is available in the high school counseling offices or in the college Enrollment Services department. Check the priority registration chart for high school student registration dates.

## First Class Meeting Attendance Policy

Students enrolled in a course who fail to attend the first class meeting may be dropped from the course by the instructor. Students who will miss the first class meeting must inform the instructor of the absence *prior* to the first class meeting in order to be assured that they will remain enrolled in the class. This *does not* preclude the fact that students are ultimately responsible for dropping the class.

## Refunds

### REFUND POLICY

*The policy below applies to fees charged for classes offered through the credit program including enrollment fees, non-resident tuition, material fees, and facility use fees. All refund requests are the responsibility of the student. Refunds may be subject to a waiting period of 15 business days if paid by check.*

- **Cancelled classes:** All fees are fully refundable when the college cancels a class.
- **Dropping classes:** When a student chooses to drop a class before the start date, all fees are refundable with the exceptions listed below. In order to receive a refund on or after the start date, the drop must occur by the following deadlines:
  - Full-quarter (12-week) classes: Friday of the 2nd week of the quarter
  - Six-week session classes: Friday of the 1st week of the session
  - All other classes: prior to the 10% point of the class calculated in calendar days
  - Art material fees: if a student drops an art class after receiving materials, refunds will be pro-rated based on the amount of materials used
- **Health and student representation fees:** These quarter-based fees are refundable if all classes are dropped before the refund deadline for full-quarter classes. During summer, the fees are refundable through the refund deadline for the six-week session.
- **Field trips and optional fees:** A student may receive a field trip refund if withdrawal is made two weeks prior to the first class meeting. Beyond this, refunds may be obtained only if the student can be replaced by another student who completes registration and pays all fees. This cannot be guaranteed.
- **Most service fees are non-refundable.** These fees include amounts charged for challenge exams, transcripts, replacement diplomas, replacement certificates, and similar services.

**EXCEPTIONS:** Exceptions to the Lake Tahoe Community College refund policy may pertain to students requesting military withdrawal in accordance with California Military and Veterans Code, section 824.

# Student Success & Resources

## One-Stop Enrollment Center

*The following services are available for all LTCC students. For more information or to schedule an appointment, please stop by Room A102 or call ext. 211.*

### • Academic Counseling ext. 211

Assistance in planning academic schedules and goals is available. Students in the following categories are especially encouraged to meet with a counselor:

- financial aid recipients
- enrolling in college for the first time
- planning to earn an A.A. degree at LTCC
- returning to college after a lengthy absence
- on academic or progress probation at LTCC (required)
- non-high school graduates
- low scores on the English and/or math assessments
- possess a disability

### • CalWORKs Program ext. 318

Are you currently receiving cash aid from TANF/CalWORKs? You may qualify for assistance through the CalWORKs Program. Benefits include, *but are not limited to*, paid work-study, community resource referrals, and school supplies and assistance with transportation costs.

### • Career Center ext. 211

The Career Center offers access to the MyPlan.com website which helps students choose careers that fit their interests, abilities, and values. The Career Center Library has free handouts and information resources on college majors as they relate to various career options. Individual appointments with a career counselor are also available and encouraged.

### • Enrollment Services ext. 211

This department has amazing staff who can assist with registration, records requests, residency applications, and all of your One-Stop needs. New and improved office hours are now offered-see inside front cover for details.

### • EOP&S and CARE ext. 318

EOP&S supports students who are educationally and economically disadvantaged. Additional counseling, tutoring, book vouchers, and supplies are available to those who qualify. CARE is an extension of EOP&S and provides additional financial support and resources for qualifying single parents.

### • Student Clubs ext. 477

Participating in student clubs and organizations is an enjoyable and educational activity and a great way to get involved and meet people with similar interests. Please contact the Student Life Office for more information. Call ext. 477 or email: [booth@ltcc.edu](mailto:booth@ltcc.edu)

### • Transfer Center ext. 211

The Transfer Center offers information for students planning to transfer to another college. College catalogs, applications for admission, articulation agreements, general education requirements, and transfer admission agreements are available.

## Child Development Center ext. 288

The Child Development Center (CDC) is a fully licensed childcare facility located on the Lake Tahoe Community College campus. Licensed for 46 kids, ages 6 weeks through pre-kindergarten, the CDC is open year round serving the childcare needs of students, staff, faculty, and community members. Childcare is available in full or half day blocks, and meals are provided. Children must be enrolled for a minimum of two half-days per week. Although the CDC operates at full capacity, students have top priority and every attempt is made to accommodate their needs. Some subsidy money is also available through federal grant funds. Inquiry into space availability should be made at least one month prior to anticipated need.

## Disability Resource Center ext. 249

The Disability Resource Center (DRC), located in Room A205, provides academic accommodations for students disabilities including learning, psychological, hearing, visual, and communication disabilities, as well as health disorders and mobility limitations. Learning disabilities assessment is offered using the California Community College LD Eligibility Model. Deaf or Hard of Hearing students may access a Video Phone located in the DRC.

## Library & Learning Services ext. 232

At the Library & Learning Services, students can get help with tutoring, writing, and research all in one convenient location. This beautiful 27,000 square foot facility originally opened in September 2006 and is now home to the Math Success Center, Writing Center, and proctoring services. The library collection supports the college curriculum with over 40,000 volumes; subscriptions to 10,000 periodicals via online databases; a cozy fireside collection of print magazines and newspapers; a DVD/video and CD collection; and a Tahoe rare book collection. The library's online resources, such as its catalog and online databases, can be accessed 24 hours a day via its website.

We provide individualized instruction in a variety of formats to meet students' research and learning needs. Math tutors are available all library hours to help with everything from Algebra to Statistics and Calculus. Make an appointment with a Writing tutor to get focused feedback on your draft papers and assignments. Subject-specific tutors such as Sign Language, Biology, and Spanish are scheduled throughout the week. Need help with a research paper? Just ask! A librarian will work one-on-one with you to develop your information literacy and research skills.

### MATH SUCCESS CENTER (MSC)

- Math tutoring (all levels)
- Computer-assisted learning

### WRITING CENTER (WC)

- Tutoring in various subject areas
- Assistance with grammar and the writing process
- Reference materials
- Computer-assisted learning
- Assistance with subject-specific writing assignments

## Student Equity & Outreach ext. 549

LTCC has developed a Student Equity initiative with the goal to enhance the college experience for disadvantaged students. Student Equity offers peer mentoring, specialized assistance, leadership workshops, access to the book lending program, in addition to other resources needed to graduate from college.

# Credit by Examination & Workshops

## Credit by Examination

Certain courses can be completed by successfully passing an examination. Courses for which credit may be earned in this manner are listed in the college catalog under each subject area. You must petition for the exam and pay the non-refundable challenge exam fee in the ONE-STOP/Enrollment Services. The last day to petition for a Spring challenge exam is Friday, April 6. Credit by examination will be held on Friday, April 13, 2018 at 2:00-4:30pm, in Room A250. If enrolled in the class, it is the students' responsibility to attend classes for which they are enrolled until the grade is posted and to request their grade for the challenge exam.

## Work Experience Mandatory Orientations

Students interested in the Work Experience Program must attend the mandatory orientation in order to enroll. Students do not need to meet with the instructor prior to the orientation, and must be on time for the orientation. For more information, stop by B105 and see page 46 of this schedule.

# Academic Policies

## SATISFYING REQUIREMENTS

Each student must assume complete responsibility for compliance with the instructions and regulations set forth in this schedule for selecting the courses that will permit achievement of individual educational objectives, and for satisfying prerequisites for any course which they plan to take.

The College likewise assumes no responsibility for misinterpretation by students of policies and procedures as presented in this schedule. Counselors and faculty are available and willing to assist students in planning their programs.

Any questions or doubt concerning schedule material should be referred to the Office of the Vice President, Academic Affairs.

## PREREQUISITES, COREQUISITES AND ADVISORIES

Some courses and educational programs have prerequisites, corequisites, or advisories considered necessary and appropriate to ensure that students are adequately prepared to succeed in the course or educational program.

**What is a Prerequisite?** A condition of enrollment that a student is required to meet in order to demonstrate current readiness in a course or educational program. Students are required to show proof of meeting the prerequisite in order to register for the course. Prerequisites completed at LTCC with a "C" or better will be automatically approved when students register for the course. Students who completed a prerequisite course at another college will need to provide proof to a LTCC counselor before they will be able to register.

**What is a Corequisite?** A condition of enrollment consisting of a course that students are required to complete simultaneously (or prior to) in order to enroll in another course. Students must register for the stated corequisite in order to register for the course.

**What is an Advisory on Recommended Preparation?** A condition of enrollment which students are advised, *but not required*, to meet before, or in conjunction with, enrollment in a course or educational program.

**Are there other limitations on enrollment?** Yes. Enrollment in certain courses or educational programs of study may require try-outs, auditions, or may be limited by health and safety considerations, and space limitations or legal requirements imposed by statutes, regulations or contracts. All such limitations are in conformity with the provisions of Title 5, Section 58106, California Community College Board of Governors.

**What if I don't have the necessary prerequisites or corequisites?** Students will not be permitted to enroll in a class for which they cannot demonstrate they have met the prerequisite, or are enrolled in the corequisite. If it is determined after a course begins that a student has not met the prerequisite, he/she will be dropped from the course.

### Grounds for appeal

- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
- The student possesses the skills/knowledge necessary to protect the health or safety of him/herself and others despite not meeting the stated health and safety prerequisite.
- The prerequisite or corequisite course is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite has not been made reasonably available.
- The prerequisite or corequisite has not been established in accordance with the District's process for establishing prerequisites or corequisites.
- The prerequisite or corequisite is in violation of Title 5.

### Prerequisite Appeal Procedure

A student may appeal a prerequisite or corequisite by filing a Prerequisite or Corequisite Appeal Petition. This form can be obtained from Enrollment Services.

1. The complete appeal petition must be filed with Enrollment Services prior to registration.
2. The appeal petition will be processed within five working days of its receipt and the student notified accordingly.
3. If the appeal is upheld, the student will remain in the course.
4. In the event the petition is denied the student will be disenrolled; however, the student may appeal the decision in writing directly to the Division Dean or Vice-President, Academic Affairs.
5. Student will be notified of the appeal decision within five working days.

# Legal Information

## Fees Subject to Change

**All fees are subject to change** without notice pending Board or State legislative action. Students are responsible for any additional fees mandated by the State Legislature.

## Failure to Pay a Financial Obligation

Grades, transcripts, diplomas, and registration privileges, or any combination thereof, shall be withheld from any student who has been provided with written notice that he/she has failed to pay a proper financial obligation due to the LTCC District. Items withheld shall be released when the student meets financial obligations (Title 5 section 59410).

## Open Enrollment

It is the policy of the Lake Tahoe Community College District that, unless specifically exempted by statute, every course, course section or class, the enrollment of which is to be reported for state aid, whenever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College, and who meets such prerequisites as may be established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 1 of Division 6 of Title 5.

## Schedule Accuracy

This schedule lists the classes that the college plans to offer this quarter and describes enrollment and registration guidelines. All courses and special events are subject to funding, scheduling, and instructor availability, and are subject to change at any time.

## Non-Discrimination Statement and Grievance Procedures

### Hugelkultur Building Workshop

Hugelkulture (literally "mound culture" in German) is a time-tested method of using discarded plant debris to build raised beds. The benefits are numerous: soil building, water-retention, slow-release of nutrients, easier fruit tree picking, microclimate diversification, extended square footage of garden space, ease of tending, the list goes on!

This will be a hands-on workshop, so be prepared to get dirty! We will cover the "do"s and "don't"s of the practice, as well as share some info on design principles and materials sourcing.

### Indoor Soccer Development

LTCC Youth Indoor Soccer Development programs are designed to provide opportunities to increase players' individual skills and level of play. The goal is that these opportunities lead to an overall enjoyment of the game for years to come. Through participation in weekly practices, players learn sportsmanship, how to work as a team, and how to build quality relationships with players and coaches in the program. Players will learn functional skills that will prepare them for the spring soccer season. The program focuses on indoor winter conditioning through soccer related skills, drills, and scrimmages. Players will be placed into groups according to their experience and skill level. Beginner, intermediate and advanced skill levels offered. The coaching team consists of: Nick Arbelaz, LTCC Men's Head Coach; Mallory Ochoa, Division 1 Collegiate Player; and other collegiate players.

## Facilitator Spotlight

Facilitator, Toni Morris in action.

### Motorcycle Training Toni Morris

Toni Morris has been a Traffic Safety Instructor for the U.S. Military since 2009. Her primary focus of training is motorcycle safety and education. Being proficient in several curriculums has allowed her to be very flexible in training and help hundreds of military personnel learn to ride or increase their skill level. Four years ago, she also helped to create a Motorcycles Mentorship training program for the Marine Corps. Toni is the Lead Instructor and has had close to 1000 participants attend her training clinics. She also teaches NHSTA and AAA traffic safety courses.

When not teaching for the military or a nearby H-D dealer or riding one of her motorcycles, she and her husband enjoy hiking, mountain biking, grandkids, and the beautiful Sierra Nevada Mountains.

## LIFE ENHANCEMENT

### Basic Bicycle Maintenance and Repair

This informative course is designed for bike riders interested in learning basic bicycle maintenance and repair. Participants will learn the importance of cleaning, securing and lubricating key components. The workshop will also teach you how to repair flat tires, fix broken chains, and adjust brakes and shift systems. The topics covered in this session will get enthusiastic riders prepped to tackle any adventure for the upcoming bike season.

### Motorcycle Safety Training

The California Motorcyclist Safety Program Motorcyclist Training Course (CMSP MTC) is designed for the novice rider with no (or limited) street-riding experience. This course includes both classroom and on-cycle instruction. You will learn fundamental skills required to operate the motorcycle and progress to street riding skills and strategies. Topics covered include fear, understanding how motorcycles turn, proper cornering strategies, and emergency crash avoidance skills. The course is based on the most current research in rider safety and utilizes modern training methods. Upon successful completion of the CMSP Motorcyclist Training Course participants will receive a DMV DL389 certificate that may waive the riding skills test requirement at the DMV. If you haven't completed the written DMV test you must pass it prior to receiving your license endorsement. Although this is designed for new riders, any rider that has not taken a motorcycle course will benefit from this workshop. Proper gear and individual motorcycle required. DOT helmet, eye protection, long sleeves, long sturdy pants, full-fingered gloves and sturdy over the ankle boots. Basic bicycle riding skills are required.
