Subject: LTCC Core Inquires Report

Dear Superintendent-President DeFranco and Vice Presidents Gamba and Balint:

The LTCC Peer Review Team has completed the Core Inquiries Report for your college. Please remember that the report does not indicate a particular recommendation or commendation. The core inquiry is an area where the team would like to learn more before arriving on campus in fall 2024 for the Focused Site Visit.

We direct you to the Accreditation Handbook on pages 31-32 for details to help you and the college to Respond to the Core Inquiry. <https://accjc.org/wp-content/uploads/Accreditation-Handbook.pdf>

Specifically, you are asked to prepare a brief Core Inquires Update document summarizing institutional developments (if any) and additional evidence related to the core inquiry. ACCJC provides institutions with a template for this update, which can be downloaded from the ACCJC website at <https://accjc.org/accreditation-handbook-and-report-templates/>.

The Core Inquiries Update and all additional evidence should be submitted to ACCJC no later than 2 weeks before the date of the visit.

The team is looking to schedule the Focused Site Visit on **Tuesday, October 1, 2024**. Please confirm that this date works for the college.

During the visit, the team will be on campus to collect additional information related to the core inquiry, validate all Standards, ERs and Commission Policies are met, host an open forum, and complete the Peer Review Team Report. The ACCJC staff liaison assigned to the institution accompanies the peer review team on the visit and will be present (to the extent that the visit schedule allows) to support both the institution and the peer review team.

On behalf of the LTCC Peer Review Team, we thank you for all the hard work put into the ISER and for responding to the requests for evidence!

If you have any questions about the Core Inquiry Report or next steps, please do not hesitate to reach out.

I look forward to hearing back as soon as possible about the date for the Focused Site Visit.

Thank you,
Eva

Eva Bagg, Ph.D.
