

PSLO Performance Report 2021-22 By Course

by Program with SLO

The purpose of this report is to present the number and percent of assessment scores at each mastery level for each program or institution learning outcome for a given term(s) or assessment cycle(s) for a given department, program, or course group. You can also choose to show this information by course.

Department: Computer Information Systems

SLOs: Program PSLOs

Program: Computer Information Systems: Information Technology (IT) Technician - Cybersecurity - AS

Date: 01-12-2023

Courses: All Courses for Selected Programs

Terms: Fall 2021, Winter 2022, Spring 2022

Academic Division 2 » Business								
PSLO: Design and produce business information systems solutions incorporating current Information Technology, trends, security, and best practices.								
Course: BOT122 - Project Management Concepts and Software
