## REFUNDS

LTCC's policy on refunds applies to fees charged for credit classes including enrollment fees, non-resident tuition, material fees, and facility use fees. Students must initiate a refund request. Refunds can take up to 15 business days to process if fees were paid by check.

**Canceled Classes:** All funds are fully refundable if LTCC cancels a class.

**Dropped Classes:** If a student chooses to drop a class before it starts, all fees are refundable with a few exceptions. To receive a refund on or after a class starts, the drop must happen by:

- 12-week classes: Friday of the 2nd week of the class
- 6-week classes: Friday of the 1st week of the class
- All other classes: Drop prior to the 10% point of the class, determined by calendar days
- Art material fees: If a student drops an Art class after receiving materials, refunds will be pro-rated based on the amount of materials used

**Health & Student Representation Fees:** Refundable if all classes are dropped before the refund deadline for 12-week classes.

**Field Trips & Optional Fees:** Refunds are possible if the drop is made two weeks before the first class meeting. After this, refunds are only possible if the student dropping can be replaced by another student who registers and pays all fees. This is not guaranteed.

**Service Fees:** Most are non-refundable. These are fees for challenge exams, transcripts, replacement diplomas, replacement certificates, and other similar services.

## CLOSURES & DELAYS Itcc.edu/weather

Mountain living can mean extreme weather, especially during winter. LTCC strives to make a decision about closures or delays by 6am, unless rapidly changing conditions make that impossible. Find out about weather closures or delays:

For more about weather in the Tahoe Basin and how LTCC makes decisions about whether to close or not, visit ltcc.edu/weather.

#### Get Informed! Get LTCC Alert!

All currently registered students are automatically registered to receive LTCC Alerts. To change your account or to self-register, go to ltcc.edu/alert.

## **FINANCIAL AID**

## ltcc.edu/finaid

LTCC has a variety of programs that can make college less expensive, or maybe even free. There are grants, scholarships, loans, work-study opportunities, and the Lake Tahoe College Promise and fee waiver programs. These and other programs can help students cover the cost of tuition, fees, textbooks, child care, transportation, and more.

LTCC's Financial Aid Department is here to help you understand all the possibilities and how to apply for them. Below are just a few of the aid programs available. For more, visit ltcc.edu/finaid, or call (530) 541-4660 x 276, or visit our Financial Aid staff in the Student Services Office (Main Building) for assistance. It is FREE to apply for financial aid at LTCC!

## LAKE TAHOE COLLEGE PROMISE

#### ltcc.edu/promise

Earn a college degree tuition-free! The Lake Tahoe College Promise provides first-time, full-time students with:

- Free tuition for up to three years
- Priority access to the textbook and technology lending library.
- \$100/quarter for textbooks & course materials
- Free career guidance and assistance with transfer applications, scholarships and more.
- Priority Registration
- Access to free 4 year campus tours & field trips.
- Dedicated academic advisor and financial aid technician
- O Access to Promise Navigators

## and more!

EARN A DEGREE

The program is for first-time college students who attend LTCC full time, and is available to all California residents and Dreamers, and Nevada residents and Dreamers living within the Tahoe Basin. For more, visit ltcc.edu/promise.

## FEE WAIVER

#### ltcc.edu/finaid

If you cannot attend college full time, the California Grant Fee Waiver (formerly Board of Governor's Fee waiver) could be for you! Both part-time and full-time students who do not qualify for the Lake Tahoe College Promise can apply for a fee waiver. This option is available to California residents and AB540-eligible students. Visit ltcc.edu/finaid for more information.

#### **ASYNCHRONOUS**

Learning doesn't necessarily happen at the same time for instructor and students; classwork often consists of independent reading, prerecorded video watching, and other tasks students complete on their own.

#### **SYNCHRONOUS**

Learning happens in real time between your instructor and your class either face-to-face, or via Canvas, Zoom, or other virtual spaces. Classwork deadlines are often scheduled on consistent days/ times, providing structure for those who prefer that.

## Face-to-Face

These are traditional courses that meet at set dates and times on campus. Please note that under certain emergency conditions, F2F classes will move to the EVE format.

## **Distance Education**

Traditional distance education classes that take place online through Canvas and do not meet at a set time.

## Hybrid

Hybrid classes include a combination of in-person meetings at specific days/times AND online activities. The online portion of the class may be synchronous or asynchronous.

## **Enhanced Virtual Education (EVE)**

EVE classes are offered online and use the Canvas system for base information and resources, but they also use Zoom as well as other technologies to provide more "real time" contact. They are intentionally designed for students who prefer a face-to-face classroom feel.

## **Common Course Numbering**

California Community Colleges is moving to a Common Course Numbering system to make it easier for students to earn credits and transfer. Class numbers will be changing to match all other community colleges in California. There will be no changes in how the class will transfer or the GE area that the course meets. Each year, you will notice more and more classes assigned new numbers as we shift to the new system. An example is ENG-101 being renamed ENGL- C1000. Please see your counselor if you have any questions or concerns.

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 703 or emailing goligoski@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each guarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

#### INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

## **WORK EXPERIENCE** GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 6 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (www.ltcc.edu/orientation). It is NOT necessary to meet with the instructor prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

#### All orientations have been moved online.

Group orientations are required. Schedule an orientation by emailing goligoski@ltcc.edu.

# Fall COURSE LISTINGS

**STUDENTS:** Please be aware that your courses may be held virtually in limited circumstances (as determined by the College) if necessary due to inclement weather or other emergency conditions. If that occurs, the College will notify you via LTCC Alert and other communication methods. In these instances, classes will be held online at their regularly scheduled times and days, and student services will be provided virtually. It is the intent of the College to provide courses and services in the scheduled modality whenever possible.

Please sign up for LTCC Alert HERE http://www.ltcc.edu/alert

## **CULINARY ARTS**

NOTE FOR ALL CULINARY COURSES: As many of the culinary courses have a kitchen laboratory component, there are mandatory uniform and tool requirements. Students will need to have a hat, apron, knife, and appropriate shoes. Most of these items are provided by LTCC, except shoes, which students can use while on campus. Students are recommended to wear sturdy leather shoes (no flip flops due to safety concerns). Additionally, students may bring their own containers for any leftover foods they may have made in class; these include reusable containers, etc.

### **INTERNSHIP**

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 703 or emailing goligoski@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one guarter unit. Each 40 hours of non-paid work equals one guarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

#### INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

### WORK EXPERIENCE

### **GENERAL WORK EXPERIENCE**

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (www.ltcc.edu/orientation). It is NOT necessary to meet with the instructor prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

#### All orientations have been moved online.

Group orientations are required. Schedule an orientation by emailing goligoski@ltcc.edu.
