

Foster and Kinship Care Education (FKCE) Advisory Meeting Minutes
Thursday, December 1st 2022
3:00-4:00pm
Lake Tahoe Community College
Zoom Meeting

Attendees: Dana McKnight, Sara Hunter, Mario Guerrero, and Laura Salinas

Roundtable Updates:

Laura: Has been working with Sasha at LTCC to help support students who identify as former foster youth. Has noticed that not many people are taking advantage of the resources available unless it's required. She would like to begin doing some outreach with foster homes in the community.

Mario: Things have been slowly picking back up after the impact of Covid. Has noticed that it is hard to get support, services, and resources to parents with juveniles in probation. Would like to explore possible collaborations and ideas on how to get people to engage.

FKCE Updates and Upcoming Trainings:

Resource Family Approval Trainings continue to have good attendance on zoom. They continue to collaborate with Folsom College to provide trainings for the Eastern Slope & South Lake along with Amador County families. They have weekly Monday night class and Super Saturday once a month. FKCE has been working with Sierra Child and Family and El Dorado County to provide RFA training and In-Service English Language training hours on Zoom and in person. Laura Medina will be retiring at the end of this month.

Meeting adjourned.
