### SYNCHRONOUS

Learning happens in real time between your instructor and your class either face-to-face, or via Canvas, Zoom, or other virtual spaces. Classwork deadlines are often scheduled on consistent days/times, providing structure for those who prefer that.

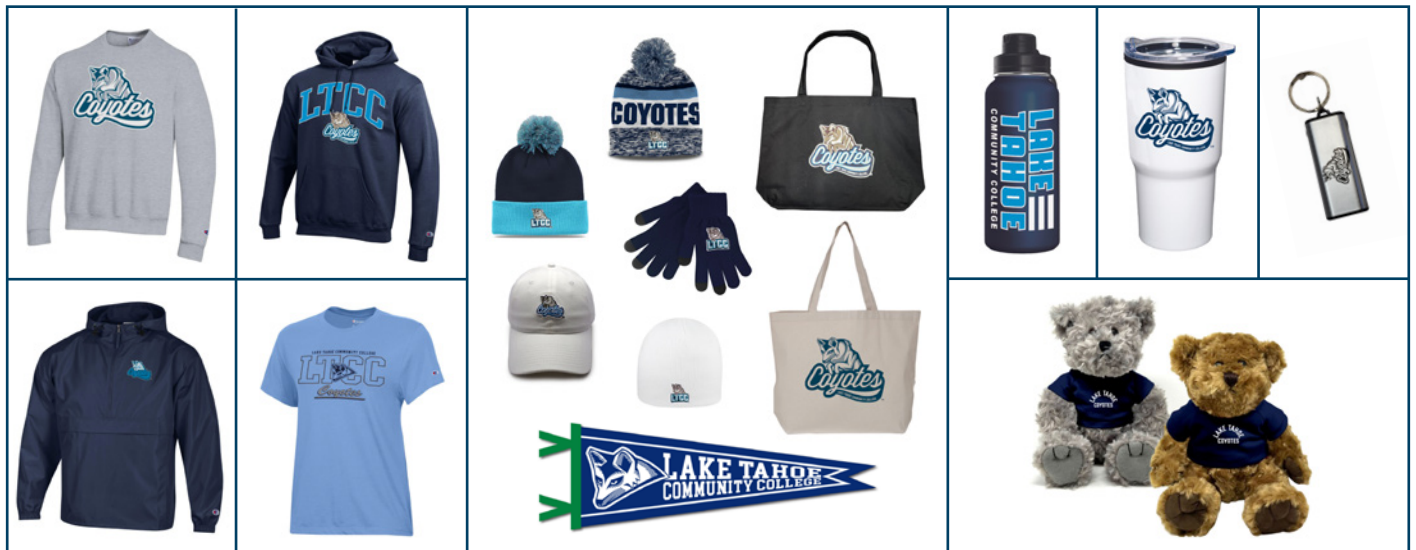

## COMMON COURSE NUMBERING

California Community Colleges is moving to a Common Course Numbering system to make it easier for students to earn credits and transfer. Class numbers will be changing to match all other community colleges in California. There will be no changes in how the class will transfer or the GE area that the course meets. Each year, you will notice more and more classes assigned new numbers as we shift to the new system. An example is ENG-101 being renamed ENGL- C1000. Please see your counselor if you have any questions or concerns.

# INTERNSHIP

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 703 or emailing workexp@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

**COREQUISITES:** Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

**INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.**
