HOW TO READ COURSE INFORMATION

ASYNCHRONOUS

Learning doesn't necessarily happen at the same time for instructor and students; classwork often consists of independent reading, prerecorded video watching, and other tasks students complete on their own.

SYNCHRONOUS

Learning happens in real time between your instructor and your class either face-to-face, or via Canvas, Zoom, or other virtual spaces. Classwork deadlines are often scheduled on consistent days/times, providing structure for those who prefer that.

Face-to-Face

These are traditional courses that meet at set dates and times on campus. Please note that under certain emergency conditions, F2F classes will move to the EVE format.

Distance Education

Traditional distance education classes that take place online through Canvas and do not meet at a set time.

Hybrid

Hybrid classes include a combination of in-person meetings at specific days/times AND online activities. The online portion of the class may be synchronous or asynchronous.

Enhanced Virtual Education (EVE)

EVE classes are offered online and use the Canvas system for base information and resources, but they also use Zoom as well as other technologies to provide more "real time" contact. They are intentionally designed for students who prefer a face-to-face classroom feel.

California Community Colleges is moving to a Common Course Numbering system to make it easier for students to earn credits and transfer. Class numbers will be changing to match all other community colleges in California. There will be no changes in how the class will transfer or the GE area that the course meets. Each year, you will notice more and more classes assigned new numbers as we shift to the new system. An example is ENG-101 being renamed ENGL- C1000. Please see your counselor if you have any questions or concerns.

INTERNSHIP

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 703 or emailing goligoski@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

WORK EXPERIENCE

GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 6 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (www.ltcc.edu/orientation). It is NOT necessary to meet with the instructor prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

All orientations have been moved online.

Group orientations are required. Schedule an orientation by emailing goligoski@ltcc.edu.

NOTE FOR ALL CULINARY COURSES: As many of the culinary courses have a kitchen laboratory component, there are mandatory uniform and tool requirements. Students will need to have a hat, apron, knife, and appropriate shoes. Most of these items are provided by LTCC, except shoes, which students can use while on campus. Students are recommended to wear sturdy leather shoes (no flip flops due to safety concerns). Additionally, students may bring their own containers for any leftover foods they may have made in class; these include reusable containers, etc.

INTERNSHIP

Internships are a student-earned worksite placement for on-the-job experience in positions directly related to their academic and career goals. An internship may be exploratory. Internship students must complete an application and be interviewed/selected by the instructor prior to the orientation. Student interns must have a good academic record and should have completed some of the courses required in their major. Here are the steps to get started: First, complete an application available online at ltcc.edu. Next, make an appointment to interview with instructor by calling ext. 703 or emailing goligoski@ltcc.edu. Attend mandatory online orientation meeting (only after interviews and a confirmed internship). Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit.

COREQUISITES: Students must be available to volunteer 4 to 24 hours per week (if paid, hours per week increase as outlined in the work experience program) for an approved business and must have an application on file each quarter enrolled.

Applications are available online at www.ltcc.edu under academics. Internships can be on a paid or volunteer basis and students are encouraged to apply at least a month before the quarter begins.

INTERNSHIP STUDENTS MUST BE INTERVIEWED AND SELECTED PRIOR TO ATTENDING THE MANDATORY ORIENTATION.

REG: Walk-in registration only.

WORK EXPERIENCE

GENERAL WORK EXPERIENCE

General Work Experience is for students who are already employed in jobs not necessarily related to their educational goals. The program encourages participants to identify new and challenging objectives on the job and can result in improved relationships at work, increased visibility, and better work habits. Up to 5 work experience units may be earned per quarter. Each 50 hours of paid work equals one quarter unit. Each 40 hours of non-paid work equals one quarter unit. For more information and to enroll, students must attend the mandatory online orientation (www.ltcc.edu/orientation). It is NOT necessary to meet with the instructor prior to orientation.

COREQUISITES: Students must be available to work 4 to 40 hours per week for an approved business and must have an application file each quarter enrolled.

All orientations have been moved online.

Group orientations are required. Schedule an orientation by emailing goligoski@ltcc.edu.
