

Beginning Tuesday, 8/22/23, at 8 am, LTCC Zoom will move to LTCC's single sign-on solution.

Why? The CCC Tech Center licensed Zoom for all California Community Colleges and managed the Zoom application for each CCC. The CCC Tech Center is now transferring Zoom management to each college.

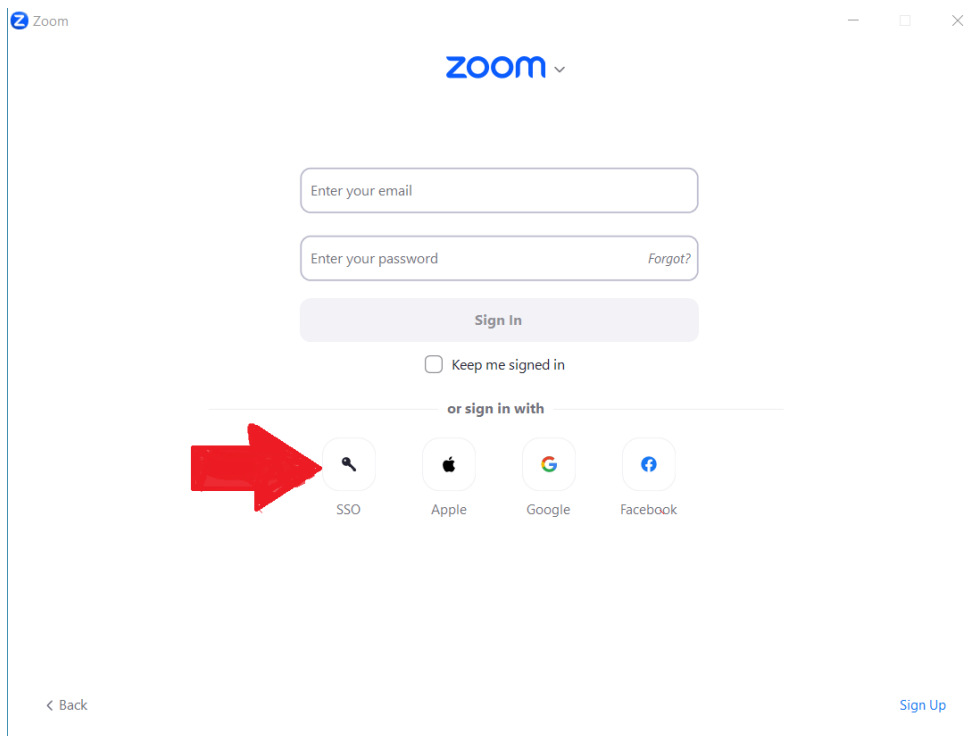

When? Starting Tuesday, 8/22/23, the LTCC IT Department will transition our current instance of Zoom to LTCC's single sign-on solution.

How? Beginning on Tuesday, 8/22/23, you will no longer be able to visit Zoom.com to gain access to your LTCC Zoom account. You will now need to visit <https://ltcc-edu.zoom.us/> to access your LTCC Zoom account. If you utilize the Zoom application, a few additional steps need to be taken to gain access to your LTCC Zoom account. Please look at the instructions below.

- On Tuesday, 8/22/23, if you are logged into Zoom on your local Zoom application, you will need to log out and log back in with the following steps: **(Do not take these steps until Tuesday, 8/22/23 morning or any time after that.)**
- Once logged back into Zoom, you will see the screen below. Select "Sign in."

Another screen appears. Select the **SSO** option.

- Once you have selected the SSO option, you will receive a screen like the one below. The Sign In with SSO box will be blank.
