

# 2025–2026 Financial aid Coa appeal

Student Information	:			
 Last Name	First Name	M.I.	LTCC ID Number	

## **Explanation**

Your financial aid eligibility for 2025-2026 aid year is partly determined upon your Cost of Attendance (COA) budget, which represents the maximum you can receive in Financial Aid for the year. You may request a COA Appeal to increase this budget, if necessary to accommodate all of your grants, loans, and work awards. Please be advised that personal expenses for lifestyle choices and consumer goods (e.g, credit card/loan payments) are not considered unusual or special circumstances. The appeal process may result in a change to data elements reported on your financial aid application resulting in a change to your COA. If your appeal is approved, any changes to your award will be effective for the 2025-2026 aid year. The Lake Tahoe Community College Financial Aid Administrator's decision is made on a case-by case basis, and cannot be appealed to the U.S. Dept. of Education.
