**Explanation**

Your financial aid eligibility for 2025-2026 aid year was determined based upon 2023 income data reported on a Financial Aid Application (FAFSA/CADAA/CCPG) and the resulting Student Aid Index (SAI). If you have experienced an involuntary loss of household income due to special circumstances, you may request an SAI Appeal to determine your current ability to pay for college. Please be advised that personal expenses for lifestyle choices and consumer goods (e.g, credit card/loan payments) are not considered unusual or special circumstances. The appeal process may result in a change to data elements reported on your financial aid application resulting in a change to your SAI. If your appeal is approved, any changes to your award will be effective for the 2025-2026 aid year. The Lake Tahoe Community College Financial Aid Administrator's decision is made on a case-by case basis, will be final, and cannot be appealed to the U.S. Dept. of Education.

**Instructions**

Complete the SAI Appeal process only if your (or your parent(s) if you are a dependent student) income will be **less** in 2024, 2025, or 2026 than the 2023 income reported on your 2025-2026 application.

- Complete and sign this SAI Appeal form.
- Provide supporting documentation.
- Attach a statement explaining the circumstances that caused an involuntary loss of income since 2023.
