# LAKE TAHOE COMMUNITY COLLEGE

### STUDENT ACTIVITIES PROGRAM

At Lake Tahoe Community College, we believe education should not stop when a student leaves the classroom. LTCC's student activities offer students opportunities for continuing personal growth and development, the chance to develop leadership skills, prepare for civic responsibility, explore new areas of interest, and interact with others. Campus clubs and organizations represent a wide variety of student interests. The college encourages student participation in extracurricular activities, while authorizing and facilitating the development of student-initiated clubs.

This guide is designed to provide information to both students and club advisors regarding how to start a club, important procedures and policies regarding student clubs, and the services available to support campus clubs and organizations.

### **WHAT IS A CLUB?**

A club is a group of students with a designated purpose who are regulated by the Office of Student Life. A student club is defined for these purposes as a group of Lake Tahoe Community College currently enrolled students, staff and faculty who connect that share a common interest.

Clubs are intended to be a student learning experience, the everyday functions of clubs are to be handled by student club members, although clubs must have an advisor.

Only currently enrolled credit students may be club members, serve as officers or vote on club matters. In addition, all clubs must complete the recognition process (quarterly paperwork, ICB meetings, and minimum group meetings, etc.) in order to be recognized by the Office of Student Life.

### WHAT IS AN ADVISORY GROUP?

Student Advisory Groups are crucial to Student Life on campus and are linked to the Office of Student Life. Advisory groups are meant to allow students to meet under a common interest to see if they would like to take steps to create an official club.

This option is meant for student groups that lack the number of students required to become a club, for those who do not want to create an official group, and for those who just want to see what student life is like!

Advisory groups still require regulation through the Office of Student Life. If you are planning on using any facilities ensure you have a faculty or staff member present except for the Student Center, Commons, and campus outdoor areas.

# **Policy and Procedures**

### **STARTING A NEW CLUB**

Participating in student clubs and organizations is an enjoyable and educational activity. This is an opportunity to gain leadership skills and a great way to get involved and meet people with similar interests. You must have a minimum of <u>ten</u> students who are enrolled in at least three units interested in forming the club, an approved advisor from the LTCC faculty or staff, and submit a Club Application form and a Club Constitution to the Office of Student Life (forms are available in the office of Student Life).

Occasionally students have questions about how to find an advisor. Generally, an advisor needs to be a full-time member of the faculty or staff at LTCC (exceptions can be made for faculty or staff working at least 50%). Other exceptions can only be made by the Student Life Coordinator. The best way to approach finding an advisor is to find a person who you know shares the interests of the club and ask them if they would be the advisor. If you have questions or need ideas about who to contact about being an advisor, you should contact the Office of Student Life.

Once you have indicated an interest in forming a club, you need to complete a few steps in order to be considered an active club. Waitlisted club applications are reviewed and generally approved on a first-come-first-served basis. The steps include:

- 1. Contact the Student Life Coordinator about the first steps to becoming a club. The coordinator will provide you with the initial paperwork.
- 2. Provide a list of officers, members, and the advisor to the Office of Student Life (the following officers must be elected: President, Vice-President, Secretary, and Treasurer).
- 3. Submit a club constitution to the Student Life Coordinator.
- 4. Arrange a meeting with the advisor, the club president and treasurer with the Accounting Assistant in charge of club accounting for a review of financial procedures.
- 5. Arrange a meeting with the advisor and club president with the Student Life Coordinator for a club procedures orientation.

Upon completion of the above-listed procedures and availability of funding, the club will receive authorization of official club status from the Office of Student Life.

**Note:** Organizations must abide by and enforce all college policies, rules, and regulations established by the Lake Tahoe Community College Board of Trustees and the California Education Code.

### ADVISOR INFORMATION

Extracurricular organizations provide enhanced opportunities for students to grow and learn outside of the classroom walls. It is because of this that Lake Tahoe Community College provides support to advisors for taking the time to serve in a leadership role for these social and academic groups. We believe that club advisors are one of the most important factors in the development of a functional and successful club. In addition to providing direction and leadership for the group, there are additional duties advisors are expected to perform.

# **BENEFITS OF BEING AN ADVISOR**

- Stipend: you receive a stipend for every quarter you host a club.
- Leadership Experience: You will help the club meet its goals, keep club leaders on track, and lead the students to success.
- Supporting Students: You not only create a connection with our amazing students, but you help them create connections and build community with each other! This is crucial to student retention and success.
- Resume Building: This extra-curricular looks amazing on a resume! It shows that you are engaged in your community.

# **ADVISOR RESPONSIBILITIES**

The following list of Advisor Duties has been designed to help advisors execute their duties for the club.

### **INVOLVEMENT:**

Advisors are the primary contact for students already involved in the club and those interested in joining. Advisors will need to meet with their club members at the beginning of each quarter to discuss the expectations, roles, and responsibilities of club members. Advisors are required to attend all club events and meetings. Advisors must **supervise any events or** meetings which the club sponsors, they are essentially the "face" of the club. Clubs are required to meet **at least four times** per quarter, and to participate in ALL club-required events. Advisors are responsible for recruiting new members to their club and are encouraged to use events, social media, bulletin boards, and other creative means to recruit new students. Advisors should be familiar with the college's policies and procedures and should familiarize the club members with these policies.

#### **FINANCIAL GUIDANCE:**

Fiscal responsibility is essential for a viable club. The Advisor is the ultimate authority of the clubs' financial transactions and is responsible for ensuring the club is following all fiscal policies and procedures within the college. All fundraising, expenses, and other financial transactions are to be directed by the Advisor, and the Advisor is responsible for ensuring the submission of the proper forms to Fiscal Services. Consult with Fiscal Services for financial guidance.

#### **OFFICIAL CLUB PAPERWORK:**

It is important that the extracurricular program areas operate in a functional and cohesive manner; therefore, it is imperative that each club Advisor follows certain deadlines for the paperwork necessary to receive their stipend. **Club Advisors are to submit paperwork by the deadlines indicated below.** The Office of Student Life, specifically the coordinator, will send out reminders as the dates approach, but it is the responsibility of the Advisor to adhere to all deadlines.

#### **ELIGIBILITY:**

It is the responsibility of the Advisor to certify the eligibility of all club members. This includes making sure that the members are currently enrolled students in a minimum of 3 credits.

# OFFICIAL CLUB PAPERWORK

The important paperwork listed below is due every quarter your club is active. This paperwork is handled by the club advisor.

\*Initial Club Renewal Form: Due at the start of the 3rd week of each quarter. It is the advisors' responsibility to ensure that all students listed are registered in a minimum of 3 units each quarter and at least ten members listed. (Registered students will be confirmed through the Office of Student Life and the Registrar's Office). "Active Club" availability is first-come, first served. Following the close of the spring term, the "Active Club" list will be reset. All Advisors and students who are interested in being active for the 2021/2022 academic year will begin recruiting and supplying appropriate paperwork. All paperwork/forms are due to Student Life Coordinator in the office of Student Life on or before the following dates:

FALL: OCTOBER 4 WINTER: JANUARY 24 SPRING: APRIL 25

\*Advisor Stipend Form: Due at the start of the 6th week of each quarter. It is the advisors' responsibility to fill out and sign the Advisor Stipend Form. This form provides the benefit of payment to advisors for hosting clubs in the form of a stipend. This information is due to the Student Life Coordinator on or before the following dates:

FALL: OCTOBER 18 WINTER: FEBRUARY 24 SPRING: MAY 9

\*Mid Quarter Meeting Verification: Due at the start of the 6th week of each quarter. It is the advisors' responsibility to send a list of dates their club held a meeting during each quarter. Regular club meetings, fundraising events, and college-wide club events should be listed. A club must have at least 4 (four) events/meetings each term in order to remain "active". This information is due to the Student Life Coordinator on or before the following dates:

FALL: OCTOBER 18 WINTER: FEBRUARY 24 SPRING: MAY 9

\*End of Quarter Meeting Verification: Due at the end of the 10th week of each quarter. It is the advisors' responsibility to send a list of dates their club held a meeting during each quarter. Regular club meetings, fundraising events and college-wide club events should be listed. A club must have at least 6 (six) events/meetings each term in order to remain "active". This information is due to the Student Life Coordinator on or before the following dates:

FALL: DECEMBER 3 WINTER: MARCH 18 SPRING: JUNE 17

Please turn all the paperwork above on time; the later the paperwork is turned in the more delayed stipend payment will be and the later the club will be able to meet in the quarter which then affects our student club members.

### **CLUB ACTIVITIES & EVENTS**

Student clubs are encouraged to develop and participate in a variety of activities. Club activity approval forms must be submitted for signature to the Student Life Coordinator prior to the activity/event. See event planning information in the Resources Section of the Club Handbook for tips on how to plan events.

- 1. Always plan ahead. Rooms tend to fill up quickly at the beginning of the quarter. If you would like to use a specific room, then it is in the club's best interest to put your room request into scheduling as early as possible.
- 2. A Club Activity Approval form must be submitted to the Student Life Office at least one week prior to the activity. Check with the Student Life Coordinator to make sure the event being planned does not interfere with other upcoming events. If there are any expenses associated with the activity, make sure to speak with Fiscal Services. All forms may be found at <a href="https://licenservices.com/licenservices/licenservices/">ltc.edu/clubs</a>. If your paperwork is received less than a week prior to your event, it will not be approved.
- 3. Do not purchase supplies, publicize the event, or take further steps until the Coordinator of Student Life has approved the activity. Once the activity has been approved, the club Advisor will receive an e-mail with a copy of the signed approval. \*If you make purchases before you receive approval and the event is not approved, you will not be reimbursed for these expenses.

### MARKETING CLUB ACTIVITIES & EVENTS

All club promotions, events, and membership recruiting are to be under the direct supervision of the Advisor. As part of the Activities and Organizations Comprehensive Program Review, **Advisors are required to remain active in the Coyote Corner App.** Advisors are requested to provide any social media links (if available) or keep their LTCC "page" on the website and in the Coyote Corner app up to date and current. Assistance for website updates for the **Club page** must be submitted to the Marketing Office. Advisors may ask their club members to assist in the efforts of posting on social media and sharing club activities on media platforms.

To submit an event to the Marketing department, prepare essential event information. This will help the Marketing department advertise your event. Include the following:

- 1. Event name
- 2. Date of event
- 3. Sponsoring organization
- 4. Time of event
- 5. Location of event
- 6. Fundraising item/ Ticket prices (and where to buy them)
- 7. Description of the event

### ADDITIONAL SERVICES

#### **ON-CAMPUS PRINTING:**

Student clubs may use the college Reprographics services for club materials. Provide a graphic of the material (pdf, .png, .jpg), the size of the material to be printed (e.g. 9x11), whether it's color or black and white, and a number of copies. Allow for a 48-hour turnaround time for printing. The Reprographics Department is in room B100 and the email is reprographics@ltcc.edu.

#### POSTING INFORMATION ON CAMPUS BULLETIN BOARDS:

Student clubs may use campus bulletin boards to publicize meetings, activities, and to recruit new members. The Student Life Department will approve all materials. See Board Policy Manual, Section 7.6 23 outlines regulations and procedures regarding the posting of materials.

#### **USE OF FACILITIES:**

Student clubs are entitled to use college facilities for meetings and special events. The Board adopted procedures regarding requests for the use of facilities that must be followed (see below). In some cases, clubs may be expected to defray the cost of the facility and/or equipment use.

Clubs requesting the use of facilities for fundraising events may be denied if another club has reserved the space for fundraising of a similar nature (e.g., food sales). Unless all clubs agree to share the space for such fundraising, priority is given to the club that submits the necessary paperwork first.

#### **CLUB FIELD TRIPS AND TRAVEL:**

Student clubs that wish to include activities or field trips that include travel must complete the appropriate field trip waiver forms. These forms are available in the Instruction Office. It is the preference of the college that students arrange their own transportation and meet at the site of club-sponsored field trips. If necessary, the Advisor can provide directions to the field trip location and meet students at the site. While Board policy does not prohibit driving students to and from college events, such as field trips, this is discouraged.

Advisors: driving one's own vehicle is discouraged - whether to a field trip or on other college business. The most obvious reason to use a district or rented vehicle for trips is that of liability. If you drive students in your own car, for instance, and are in an accident, your insurance company will pay all damages up to your maximum coverage. Only after all your liability insurance has been exhausted will college insurance start to pay for the claim. If using a district-owned vehicle, then the college insurance pays for the liability claims. The college vehicle is available for club advisors to use for club activities and is included in this manual.

 Cash boxes and \$25 change funds may be checked out through Fiscal Services. One (1) week notice is required for these services.

#### SPENDING:

- Clubs have access to their fundraised money; you must meet with Fiscal Services to inquire about and receive the monies.

- Club Funds will not be moved from the club account without signed club meeting minutes. It is
  the responsibility of the designated club officer (usually the treasurer) and the club Advisor to
  ensure that the approved expenditure is properly handled by initiating and processing the
  appropriate financial forms through the Fiscal Office and providing a copy of the club's minutes
  (which are signed by the club's president or treasurer and advisor, clearly approving expenditure
  in a dollar amount for the activity or event).

#### **PURCHASING PROCEDURE:**

- 5. It is encouraged that the advisor and club work with the Marketing department to advertise the fundraising event.
- 6. Prepare for the event by buying any needed items
- 7. Make sure to follow all fiscal guidelines for cash handling.

# SUCCESSFUL CLUB MEETINGS

# **Before the Meeting:**

- 1. Define the purpose of the meeting. If there doesn't appear to be a purpose, don't have the meeting.
- 2. Develop an agenda with the officers and advisors. An example might include:
  - a. Call to order
  - b. Approval of Agenda
  - c. Correction and approval of minutes from the last meeting
  - d. Officer's reports
  - e. Committee reports
  - f. Unfinished business
  - g. New business
  - h. Adjournment
- 3. Distribute the agenda and circulate background material, such as lengthy documents or articles, prior to the meeting so members will be prepared and feel involved.
- 4. Choose an appropriate meeting time. Set a time limit and stick to it. Remember that members have other commitments.
- 5. If possible, arrange members so they face each other. For larger groups, try u-shaped rows. A leader has better control when she/he is centrally located.
- 6. Choose a location suitable to the group size. A larger room is more comfortable and encourages individual expression.

# **During the Meeting:**

- 1. Greet members and visitors and make them feel welcome, even the late-comers.
- 2. Start on time. End on time.
- 3. Have the club secretary take minutes during the meeting.
- 4. Review the agenda and set priorities for the meeting.
- 5. Stick to the agenda.
- 6. Encourage group discussion to get all viewpoints and ideas. You will have better quality decisions as well as highly motivated members.
- 7. Encourage their feedback. Ideas, activities, and commitment to the organization improve when members see their impact on the decision-making process.
- 8. Delegate responsibilities and establish due dates.
- 9. Summarize agreements reached and end the meeting on a positive note. For example, have members' volunteer thoughts of things they feel are good or successful, or a good of the order.
- 10. Set a date and time for the next meeting.

# **Meeting Minutes:**

When requesting funds for any reason, including purchasing items, reimbursements, or paying speakers, please include the following information in your minutes:

- 1. Meeting time, date, and location
- 2. First and last names of all members and guests that are present
- 3. The purchase must be formally approved by the majority, include a motion to accept or reject the item
- 4. Include the purchase date, vendor name, description of item/s, the amount, and the purpose
- 5. Include the signature and date of the secretary and advisor at the bottom of the minutes

# After the meeting:

- 1. Propose and distribute minutes promptly. Quick action reinforces the importance of meeting and reduces the error of memory.
- 2. Discuss any problems during the meeting with officers, so improvements can be made.
- 3. Follow up on delegation decisions. See that all members understand and carry out their responsibilities.
- 4. Give recognition and appreciation to excellent and timely progress.
- 5. Put unfinished business on the next agenda.
- 6. Conduct a periodic evaluation of meetings. Weak areas can be analyzed and improved for more productive meetings.

# **Parliamentary Procedure:**

Parliamentary procedure is a set of rules developed over many years to help meetings run smoothly and efficiently and to protect the rights of the people who participate in those meetings. Robert's Rules of Order has been the generally accepted guide to parliamentary procedure in the United States for well over 100 years. Although the parliamentary procedure is in no way required by clubs to conduct their meetings, it provides one possible method. You may want to consider using this to get you started. Here are a few basic terms from Robert's Rules.

- Chair ~ The person who presides over a meeting is called the chair.
- **Quorum** ~ A quorum is the minimum number of members required to be present for an organization to conduct business; generally two-thirds.
- **Floor** ~ when the chair acknowledges and offers a member an opportunity to speak, that person "has the floor." Whatever topic the group should be discussing is "on the floor."
- **Motion** ~ A motion is a proposal, made by a member, for the organization to take action. "I move to form a committee," or, "I move to approve the budget."
- **Second** ~ Most motions require a second. After a motion is made, another member says, "I second," the motion is before the group, and the group votes on it. If there is no second, the motion is not before the group, no vote occurs, and no action can be taken.
- **Table** ~ To "table" is to postpone for consideration at a later time.
- General consent ~ To expedite routine businesses, the chair may use a procedure called general
  consent. The chair proposes an action and asks if there are any objections. IF there is none, the
  action is adopted. If there is objection, then a motion, second, and vote are required.
- Adjourn ~ To adjourn is to end the meeting. The chair can adjourn by general consent or a member can move to adjourn.

# **Guide to Event Planning**

- 1. Ask yourself these questions:
  - a. What is the purpose (social, fundraising, educational, fun, recruitment)?
  - b. Who will be interested in attending (students, special groups, community)?
  - c. How many people are you expecting?
  - d. What's your budget? Will you be able to cover all expenses?
  - e. How much help and support are your club members willing to provide?
- 2. Decide when it would be best to plan the event and select alternatives. Day or evening? Weekday or weekend? During College Hour (Tuesdays/Thursdays, 12-1 pm)?
- 3. Decide which venue or room would be best suited and select alternatives.
- 4. Discuss the planning of the event with the advisor of the organization. The advisor is responsible and must attend.
- 5. Make preliminary contact with performers, lecturers, etc.
  - a. Discuss availability.
  - b. Discuss possible set-up arrangements.
  - c. If a fee is involved or not, an ECC contract should be completed prior to the event.
- 6. Present a verbal or written proposal to your club and let them decide whether to sponsor the event.
  - a. Eventually the event or activity must be approved by vote and recorded in minutes.
- 7. Club meeting minutes approving the event will be required
