SPRING SPORTS

SPRING SOCCER DEVELOPMENT

LTCC Youth Soccer Development programs are designed to provide opportunities to increase players' individual skills and level of play. The goal is that these opportunities lead to an overall enjoyment of the game for years to come. Through participation in weekly practices, players learn sportsmanship, how to work as a team, and how to build quality relationships with players and coaches in the program. Players will learn functional skills that will prepare them for team soccer seasons. The program focuses on soccer related skills, drills, and scrimmages. Players will be placed into groups according to their experience and skill level.
